BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Odum Home at Pembroke has been a vital part of our total ministry for many years. Groundbreaking ceremonies were observed there on September 30, 1976 for the construction of a cottage for children, a recreation building and a residence for the director. We are deeply indebted to a fine host of friends throughout Southeastern North Carolina who have responded to the initial challenge by Mr. John Newton and Mr. Harold Deal, business men in Hickory.

The Frontiersmen program at Kennedy Home for boys and girls to participate in Wilderness Group Therapy is meeting with significant success. The Duke Endowment has recognized the value of this special child care ministry to the extent of giving us a $75,000 Grant over a period of three years to insure adequate support for this innovative effort. Other child caring agencies across the nation are studying this program.

Due to the fine spirit of cooperation on the part of the First Baptist Church of Henderson and member churches in the Cullom Baptist Association, an emergency shelter will be opened in Henderson during the month of October. This facility will provide emergency care for children while plans are being made for longer term placement or their referral to other helping agencies.

Foster Homes have provided excellent care for many of our children since the beginning of this program in the 1930's. Presently Eastern North Carolina has seventeen foster homes licensed to care for twenty-seven children. Our greatest need in this area is for foster parents who will open their hearts and homes to serve children with special needs.

The department of Child Development and Family Education is available to assist pastors and churches in planning and presenting wider services to strengthen, enrich and support Christian family life. Members of the staff are available upon call to provide assistance in planning for day care, family education and related interests.

We are deeply grateful at the Homes for every expression of interest and means of support provided by our people. Special gifts, income through the Cooperative Program and the Thanksgiving Offering are vital to our existance. We thank you for every expression of your faith and confidence.

Respectfully submitted, Mrs. Catherine W. Skipper, Representative

BROTHERHOOD

The Brunswick Baptist Association Brotherhood Department reports the following activity for the year:

1. Field day for Fathers and Sons at North Brunswick High School.
2. Regional Baptist Mens Rally at Elizabeth Baptist Church, June 8. The message by Dr. Cecil A. Ray, General Secretary-Treasurer, North Carolina Baptist State Convention.
3. I met with Jennis McLamb, pastor of Beulah Baptist Church, and his fine men for the purpose of organizing a Brotherhood Chapter.

We would like to extend an invitation to the churches to give us a call if we can be of any help with the Brotherhood work.

Respectfully submitted, J. Tyler Potter, Director

CHRISTIAN HIGHER EDUCATION

Baptist Colleges and Baptist History:

A careful reading of North Carolina Baptist history reveals that the Baptist State Convention was organized primarily for the purpose of establishing a Baptist College. When the convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptists wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in this state have been closely identified with Christian Higher education for 142 years.

Today, the Christian higher education system of Baptist embraces six other colleges in addition to Wake Forest: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

Cooperation Between Colleges and Churches:

It is not enough that North Carolina Baptist have begun and now support six colleges and one university. As important as history and tradition are, they cannot substitute for warm, vital relationships in the present. The need for colleges and churches to give fresh attention to their partnership and their mutual dependence is always present. Listed below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptist continue to support their colleges through the Cooperative Program and the Baptist College Day offering on Father's Day.
2. The college continue to provide training for most of the pastors and other church staff persons who led North Carolina Baptist church.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grants, loans and work scholarships are available.

North Carolina Colleges and the Southern Baptist Convention:

There are 53 colleges supported by the various Baptist state conventions. The enrollment of the seven North Carolina colleges comprises about 15% of the total enrollment of these 53 schools. While the Southern Baptist Convention does not own any colleges, there is a strong emphasis by the denomination upon Christian higher education through the SBC Education Commission.

The Mission of Baptist Colleges:

In a secular world with its materialistic priorties, Baptist colleges are committed to the guidance of Christian values in the search for truth. Believing that God is the source of all knowledge and wisdom, Baptist colleges can urge students to search for truth in all areas of knowledge without fear.

As we look backward to yesterday and now forward to tomorrow, we see ourselves active participants in Christian higher education. This is as our church covenant states we should. The greatest leaders our country has ever produced have come in the main, from our Christian colleges. May this ever be so, as we continue to support financially and to send our children to our Baptist colleges and schools.

CHURCH LIBRARY

"The church library ministry is of utmost worth to a church as it seeks to worship God, to educate its members, to minister to the needs of people, and to proclaim the gospel. A major means of helping churches extend and improve this vital ministry is the associational church library organization." (Quotation from the pamphlet "The Associational Church Library Organization" distributed by the Church Library Department of the Southern Baptist Convention.)

Our Association has now decided to avail itself of this help and on April 29, 1976, in the fine library of the Antioch church, 16 people who either involved with church libraries,or hoped to begin library services joined together to begin the Brunswick Baptist Associational Church Library Organization. In June this group held a meeting for training and inspiration at the Leland church and still another helpful meeting was held at the Bolivia church on August 24, 1976. It is felt that by meeting and sharing our ideas as well as our problems that church library services in the Brunswick Association can be greatly strengthened. The officers chosen to serve for the first year were: President, Mrs. Susie Carson; Vice President, Mrs. Virginia Gilbert; and Secretary, Mrs. Margaret Clemmons.

We began the past year with 15 churches reporting some form of library service. These were: Antioch, Bethel, Beulah, Bolivia, Calvary, Elah, Farmer's Chapel, Friendship, Lebanon, Leland, Mill Creek, Oak Island, Shell Point, Southport and Supply. Soldier Bay reported a librarian, but in the statistical tables no library is shown. This, I am sure, was just an oversight in reporting. Several of the libraries reported, so far as can be ascertained, do not have a librarian and are therefore not active at this time.

In January your director was privileged to attend a three-day school for associational church library directors at Wingate College held at the same time as the State Vacation Bible School Clinic.

Your director also took part in the three meetings held by the Brunswick Baptist Associational Church Library Organization and on September 26 it was her delightful privilege to be a part of the service at Mount Pisgah church in which they dedicated their church library. Much work on the part of several people went into making this library possible and they are to be commended for this new avenue of service to the Lord. It is especially fitting that it should have come at the time when Mount Pisgah was celebrating her 214th Anniversary. The new library is certainly a wonderful "birthday present" to the church.

During the year, following the tragic death of Mrs. Jackie Webb, Sabbath Home Church decided to use the memorials given for her to begin a church library. Much time and work has gone into this and the library will soon be ready for dedication to the memory of Mrs. Webb and thus begin a service that will be of great benefit to the outreach of the church.

Arrangements are now being made to hold an Associational Library Workshop early in this church year. An approved worker will be provided by the State Convention to lead in this workshop. During the workshop our workers will learn to upgrade and make more effective the libraries which we have and we hope that churches without library services will send workers to learn the basics and seek to begin libraries in their churches.

More and more in the months to come you will see and hear the term "Church Media Center" being used. This is simply the old church library with a new name that is more descriptive of what one can and should find in a library—not just books, but also filmstrips, recordings, pictures, study helps, and all forms of "media." We bow to the changing of the times in terminology and say "Church Media Center"—the center for all resources needed by your church and mine to undergrid its evangelistic, educational, service and fellowship programs.

Mrs. Susan S. Carson, Director

CHURCH MUSIC

At the close of this year as Associational Music Director, I would like to say that I have enjoyed this place of service for the Lord.

For two years we have conducted a yearly music workshop directed by Charles S. Gatwood, Associate Director, Department of Church Music, Raleigh. Also, at the 4th July Bicentennial Day in Southport, we were to have a display of music, by Handell, from Germany. However, bad weather prevented the public showing of the over 200 years old music.

God has blessed us through these many years with wonderful sacred music. We should think Him for the out-pouring of such a blessing.

I would like to welcome the new Associational Music Director. Let all of us support him as he takes up his new task. I pray God's richest blessing upon him, that he might do a greater work than has ever been done before.

Respectfully submitted,.G. Rotha Hickman, Director

CHURCH TRAINING

What is the Church Training Program? It is an educational organization of the South Baptist Convention churches for the developing church members to perform as members of the body of Christ. How many churches in the Brunswick Baptist Association have Church Training Programs? In 1973 there were 14 churches; 1974 there were 17 churches; while in 1975 only 14 churches reported a Church Training organization.

Why have Church Training? Let's name a few reasons for having this organization in a church. First, it strengthens doctrinal convictions. Second, it strengthens Christian fellowship. Third, it aids spiritual growth. Fourth, it developes spiritual skills through Bible study and witnessing application.

Church Training is "Practice," a key word brought out last evening in Dr. Carl Bates' message on Christian stewardship. Dr. Bates said, "Christian stewardship is the practice of giving systematic and proportionaly of time, talent, and material possessions based on the conviction that these are a trust from God to be used in His service for benefit of all mankind." In essence Church Training or "Practice" is: one, a flexible adventure in total church member training; two, the called-out group of Christians in fellowship, fulfilling the Great Commission; three, the body of Christ in daily action through worship, witness, education, ministry, and application; four, church members in training to exert wholesome influence on the world in which they live; and five, church members who are acquiring new attitudes, gaining new knowledge, and developing new skills for Christian living.

It appears that new attitudes and new directions must be aroused in our churches to insure future growth in Church Training. This program is needed in all our churches. There are, perhaps, two criterias to success in Church Training. First, the pastor must be sold on the program and take the initative. Second, conduct leadership training programs in order to insure proper leadership skills.

DIRECTOR OF MISSIONS

What is an Association? What does the Director of Missions do? How is the money used, contributed by churches?

A Baptist Association is a self-determining body whose authority is derived from the action of the messengers elected by the churches, usually located in a limited geographical area, those churches have voluntarily associated and have established organizations for Christian fellowship and cooperation in advancing Christ's Kingdom. An association is dependent on the churches that created and sustain it, and is autonomous in relation to other Baptist Bodies.

In 1707 the first Baptist Association in America was formed in Philadelphia, Pennsylvania. In 1751 the second Association in America was organized at Charleston, South Carolina. In 1758 the Sandy Creek Association, North Carolina, was organized. After 1765 Associations in America multiplied rapidly. In North Carolina, today we have eighty associations.

The Brunswick Baptist Association has made tremendous progress during the year 1975-76.

The Beulah Church occupied a new sanctuary. Goshen occupied a new two story Educational Building. Gospel Center has a new sanctuary well underway. Oak Grove has a completely new sanctuary and educational plant at a new location, Sabbath Home completed a beautiful new pastorium and is now occupied by the pastor. Shell Point has a new sanctuary and educational building almost completed.

Supply added new educational space 40' x 136'. Jennie's Branch voted to begin a new sanctuary in the near future. Town Creek has voted to build a pastorium. Leland has a new pastorium well under way. We commend each church for their progress.

How is the money used, contributed by the churches?

Each month an itemized financial report is published in the News Letter. A quarterly report is presented to the Executive Committee and a copy placed in the News Letter.

Your Association wants you to know how the money is used. The money helps provide a home for your Director of Missions, provides travel allowance for work on the field, pays salary for Director of Missions and part-time secretary, provides material for a monthly News Letter that goes into around 600 homes, including pastors and church leaders, publishes programs, Calendars of Activities and Associational Minutes, Supports conferences, worshops, V.B.S. Clinics, assists churches in securing pastors and other leaders when the church needs advice and help. Supply for pastor when sick, on vacation, away for meetings. Assists churches in many ways by providing information about various aspects of our Baptist work, counsels with churches and leaders when problems arise. Helps churches with some of their printing needs. Provides filmstrips and projector on a free rental basis to the churches. Provides services of the Director of Missions whenever asked to do so. Provides material and leadership in every organization of the church.

The Association is a vital link in the outreach of local churches. It strengthens the fellowship of the churches, makes them visible beyond their local communities, and most important, it provides a way of cooperating in local mission projects too large or too complicated for a single church.

We covet your cooperation and prayers during the coming year.

Respectfully submitted, Arthur R. Waisner, Director of Missions

EVANGELISM

"Growth Evangelism," an evangelism planning calendar for pastors of churches, 1976-77, contains suggestions of various evangelism emphasis for the local church. Pastors and leaders of each church are encouraged to outline definite evangelism plans with adults and youth.

A new area of work will be Youth Evangelism Strategy, with an emphasis on four phases: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. Specific witness training for youth, called W. O. W. (Win Our World), is included in this strategy.

Since 1971, over 14,000 youth and adults from 1,150 churches and 62 associations, have participated in Lay Evangelism Schools. In the homes on the last evenings of these schools a total of 896 professions of faith in Christ have been made. The State Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

More than 26,000 persons attended the 30th Statewide Conference on Evangelism held at the Civic Center Auditorium, Ashville, February 2-4, 1976. The next conference will be held at the War Memorial Auditorium, Greensboro, February 7-9, 1977.

The Brunswick Baptist Association Evangelism Conference was conducted at Shallotte FBC, November 13, 1975. Woodrow W. Robbins, pastor of Lexington Avenue Baptist Church, High Point, the guest speaker, brought a challenging and inspiring message.

To win the lost to Jesus Christ, Christians must preach, teach, and live evangelistically. We rejoice over many blessings bestowed upon the churches of our association, but most of all, we rejoice over every lost soul that has been won to a saving faith in Christ. May God's blessing continue upon us as we carry out our Lord's command to evangelize a world that is in need of the gospel of Jesus Christ.

Respectfully submitted, Von Cockrell, Chairman of Evangelism

GENERAL BOARD

The General Board of the Baptist State Convention held its regular meetings during the past year under the leadership of Dr. Cecil A. Ray, new General Secretary-Treasurer of the convention. Your representative was priviledged to attend all but one of these meetings. Rev. Robert Shepard, pastor of Sanford FBC, served the general board as its president. We have been fortunate to have Brother Ed Worley, Columbus Baptist Association and Rev. M. E. Gibson, Wilmington Baptist Association, to serve with me on the executive committee this year.

Aid from the convention to the Brunswick Baptist Association and its churches totaled $6,156 for the year. $2,076 was approved for the association. Lot Aid in the amount of $780 for Ocean View, $500 for Woodburn FBC, $1,450 for Beulah and $1,350 for Shell Point Baptist Churches was approved. The request of Ocean View Baptist Church for pastorial aid was referred to the executive committee.

Some of the year's highlights have been the installation service for Dr. Ray on March 30, 1976, at the Raleigh FBC; the enrollment of the first class of law students at Campbell College; the continued upward trend of receipts through the Cooperative Program and the Special Offerings.

An enlarged budget is to be presented for approval at the convention's annual meeting to be held November 15-17, in Fayetteville. This is made possible because receipts continue to exceed those of previous years. We are grateful to God for this and humbly pray that our association and our state convention will ever be blessed by God and will ever glorify and magnify Him.

Respectfully submitted, Ira L. Chadwick, Representative.

HISTORIAN

In this the 200th Birthday of our Nation, we look back and thank God for all His blessings to us and our churches. In Brunswick County there are about one hundred seventy-five (175) churches of all faiths, and of these thirty-eight (38) are in the Brunswick Baptist Association. At least two of these are as old or older than our Nation. They are Mount Pisgah founded in 1762 and Mill Creek founded in 1776/1800.

The oldest church in the county that I can find record of is St. Phillip's Episcopal Church at Brunswick Town, founded in 1741. The shell of its old building still stands in Brunswick

Town. According to THE UPLIFT dated March 20, 1943, and published in Concord, North Carolina, St. Phillip's was originally called: "His Majesty's Chapel in the Carolinas." The present St. Phillip's (originally called "The Chapel of the Cross") was erected in 1843 in Smithville, now Southport.)

Some of the other older churches are Pleasant View (black) founded in 1800; Kendall Chapel AME (black) founded in 1882; and Cedar Grove Church (black) founded in 1892. Trinity United Methodist (white) in Southport was founded in 1798 and the Southport Presbyterian Church in 1898.

The following churches in our Association are all over one hundred years old. Antioch, Bethel, Beulah, Goshen, Lebanon, Mill Creek, Mount Pisgah, Old Shallotte, Shallotte First, and Southport.

Religion has played an important part in the lives of the people of our County as well as in the lives of the people of our Nation. In looking at the positive impact of the church on our county and nation, we must also remember our sister churches of other faiths. The positive aspects of religion are found in all of the churches of this county and in no way is one to be minimized.

No specific data has been furnished from any church in our Association to the Historian during this Bicentennial Year, except from Mount Pisgah who celebrated her 214th Anniversary and Southport who celebrated her 105th Anniversary; both had special services. It goes without saying that each church does have a history and has made its contribution to the individual, the family, the community and the county, and through its mission program has reached out to the ends of the earth. Therefore, we urge that each church keep an accurate record and report to your Historian during the year anything that might be of historical interest.

We have a history of all but three of our churches in the Brunswick Association. Many of these need to be updated and we urge you to appoint someone to do this. We also urge those three churches for which we do not have a history to appoint someone to write that history.

Your historian has collected many interesting histories from the various churches in Brunswick County and I share with you excerpts from some of these:

From the Town Creek Baptist Church history we copied these words:

> ". . . with their Bibles as their only literature, tucked under their arms and their hearts on fire for God and lost souls, they made their way saying come and let us go up to the house of the Lord.' Year after year these faithful few faced almost unsurmountable obstacles, bad roads, insufficient transportation and always insufficient funds. But God led, and with their faces set like flint, and their shoulders to the load, they were always going forward preaching and teaching the word, and God added many to the church for their efforts."

An excerpt from the history of Prospect Baptist Church reads as follows:

> "People did not have much money in those days, but were faithful to attend church services, coming from many miles away in all kinds of weather, walking or riding in farm carts and a few in a buggy. . . "

Similiar feelings as these are expressed in several of the histories of the churches in our Association.

One of the oldest black churches in Brunswick County is Cedar Grove Church. It was established in 1892. An excerpt from its history reads:

> "In the year of our Lord 1892 just after the Civil War ended the dark days of slavery, a group of Negro brothers and sisters who had formerly attended the Mount Pisgah Baptist Church (white) of Supply, N. C., decided that they would rather have a church, pastor and officers of their own . . . This group of devoted Christians, under the leadership of the Reverend Moses Louder, and with faith in God, organized and built the first church in the community."

As we look at the history of what has gone on before us, we can move forward with new and renewed insight and inspiration.

William F. Deitz, Historian

INTERRACIAL COOPERATION

We were able to accomplish more work this year in Brunswick County. Vacation Bible School work started with the General Baptist in February with an Institute at Cedar Grove Baptist Church, Supply, and then to St. Johns Baptist Church, Bolivia, for another week of Bible study.

Five Vacation Bible Schools were held this summer: St. Johns, Macadonia, Bethleham, St. James and Davis Chapel Baptist Churches. All except Davis Chapel Baptist Church were one week schools. They wanted to make this school continue for three weeks. However, I told them the material was written to cover two weeks of school. They were satisfied if I would promise to return next year.

The young people are interested in Bible study and have many questions and comments as they seek someone to listen and understand and to explain what the Bible has to say about life from day to day. They are saying my parents never have time or they get angry when we try to discuss our problems with them.

Three of my teachers were young women who had grown up in the Vacation Bible Schools conducted since I have been working with the department. This year completes sixteen years of Interracial Cooperative Work. Starting under Dr. Grigg and continuing with Rev. Corbin Cooper, it has been a joy and a privilege to work with both men. They have been truly men of God sent to the Kingdom for this time.

Thank all of you for your prayers and friendship over the years.

Respectfully submitted, Mrs. Elsie B. Robbins, Representative

MISSIONS

1976 has been a year of cooperation. The celebration of the American Bicentennial emphasized the cooperative spirit of this nation. What Americans share in common outweights their diversity. We are a United States because we are cooperative states.

Cooperation and diversity are basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together ". . . to promote missions, evangelism, education, social services." (Constitution, Article II). The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign missions. Overseas and national missions look to the churches for prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past severl years State Missions has emphasized programs to strengthen church and associational missions. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support.

A second major program of State Missions are the "direct missions" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Interracial Ministries.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The offering distribution, approved by the 1975 Baptist State Convention, is as follows:

$175,000	Basic State Mission Budget
43,000	Fruitland Classroom Building
72,000	Caraway Conference Center
10,000	Special Mission Projects
100,000	Baptist Assembly (Caswell)

NORTH CAROLINA BAPTIST ASSEMBLIES

From Manteo to Murphy the witness of North Carolina Baptists touches the lives of Tar Heelia. And from the mountains to the sea, an important part of that witness is provided through the varied services of our Assemblies and camps. But such has not always been the case.

In 1944, Mrs. J. S. Farmer, representing the Woman's Missionary Union in her report to the Annual Session of the Baptist State Convention, cited the growing interest of our people in finding places for summer camps and programs to serve their needs. Her feeling apparently reflected the concern of Baptists in North Carolina generally at the time. As a result of this concern, property was purchased at Fruitland, near Hendersonville, for a summer assembly and to be used as school for ministries during the winter months.

In 1949, an opportunity was given to the Baptist State Convention to purchase Fort Caswell on Oak Island for the sum $86,000. This property included 250 acres of land, paved roads, water system, three docks, and some seventy buildings. It was appraised at the time for $1,480,000.

The George Truett Camp near Hayesville in Western North Carolina grew out of an effort and interest on the part of concerned Christians in that area to provide for those who could not attend other camps. Some assistance was given by the Baptist State Convention to this endeavor.

In 1962 the convention received the deed to property which has now become Camp Caraway at Asheboro, N. C. From 120 boys in 1963 to 1,565 in 1975 indicates the interest of our churches in the type of programs available through out assemblies.

In 1969, Camp Mundo Vista was opened at Asheboro under the sponsorship of Womans Misionary Union. From 1,600 in 1969 attendance reached 4,223 in 1975 in the various programs provided for the different organizations of the W.M.U.

The newest addition to the ministry through assemblies is the Caraway Conference Center, a self contained facilty near the Caraway site which will provide for adult conferences and training.

Christian ministries through Assemblies and Camps is now a recognized and valuable part of the work of North Carolina Baptists of which we may be justly proud and for which we may be eternally grateful.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

We are accustomed to thinking of Christian stewardship first as giving and raising money. Christian stewardship is a plan for making the right kind of man and incidentally raising money. This transformation of lives cannot be made real until we first accept the Christian concept that our most valued possession is the priceless gift of salvation. Paul, in II Corinthians 12:4, admonished us that "I seek not YOURS, but YOU."

During the 1975-76 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a will of a person who had received financial assistance years ago from our Baptist Hospital, a $29,950.00 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

What concerned Christians have done through out Baptist Foundation can be illustrated by the following: (1) A widow has established a living trust, turning over all her property and related assets to the Foundation, but reserving for herself the income therefrom for the remainder of her life. Upon her death the trust will then be divided among several named institutions and mission causes, one of which, incidentally, will be the mission ministries in the local association in which she lives. (2) A widow tithed the estate of her recently deceased husband to provide an educational scholarship for a student in Christian education in one of our Baptist Colleges. (3) The children in a family, upon the settlement of the estate of their father, placed the residue of the estate with the Foundation to establish a trust in memory of their parents for foreign mission support.

These are but illustrations in reality of what can be done in the realm of Christian stewardship through the Baptist Foundation. Though at times it may indeed seem that our possessions are small they, added to the other contributions to the Foundation, reach into every facet of our denominational program. The outreach of the Foundation can only be compared to the Cooperative Program.

New additions during the 1975-76 year to the North Carolina Baptist Foundation assets held for our institutions and missions totaled $210,147.17. This amount combined with the market value of real estate (including the Yanceyville unit of the N. C. Baptist Homes, Inc.), annuity trusts, and the Foundation Common Trust Fund brings the total market value of assets, as of June 30, 1976, to $2,946,044.49.

The income from Foundation trust funds paid to beneficiaries during 1975-1976 was $157,069.28. In previous years the Foundation had paid to beneficiaries $1,018,414.76. The total paid through June 30, 1976, now has reached $1,175,484.04.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home in March of 1951, to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund-Raising Effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. The response from our Baptist pastors and people in Western North Carolina has been most encouraging. We are grateful not only to those in Western North Carolina, but throughout the state, for the happy and successful response that we have experienced thus far.

When completed, the Western North Carolina Home, in Asheville, will accommodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes, and a Nursing Care Unit—Resthaven, the Hayes Home, the Nursing Care Unit, in Winston-Salem: the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton, N. C., the Yanceyville Home, in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptists make this Christian care and concern possible through two very vital sources—The Cooperative Program, and the Special Offering for the Homes, received on the third Sunday of February each year. Through these sources more than 35% of the Home's total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible!

Close at hand is another venture in the development of the Homes which we're excited—the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977.

Great things are in store for us in our Homes for the Aging as we look to the future, and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

NORTH CAROLINA BAPTIST HOSPITAL

"Christian stewarship" is a phrase frequently heard in staff meeting at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a Department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by State legislature.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A Chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,947 compared to a total of $390,000 for the preceding fiscal year.

RELIGIOUS LITERATURE

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jermiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communications still remains one of the most sensitive problems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communications? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the BIBLICAL RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptist have made encouraging progress in recent years through bold mission enterprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to sent the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

If the RECORDER is not going to every family in your church, may this be the year that you take this step.

Respectfully submitted, Mrs. Gwen Clemmons, Representative

RESOLUTIONS

We, the Resolutions Committee recommends that:

1. We, the messengers of the 78th annual session of the Brunswick Baptist Association express to the Lord thanks and praises for His matchless grace and marvelous love, and for the victories through Christ Jesus during the past year, for souls saved, and advances made in all phases of our work within the association.

2. We wish to thank our Moderator, Ernest C. Poston, Jr., and all others who have worked with him for bearing the burden of the work and the meeting during the year, and for their performance on the programs.

3. We especially commend our Director of Missions, Arthur R. Waisner, and his devoted wife, who have labored so faithfully in all phases of our work.

4. We thank Miss Ruth Galloway, Associational Treasurer, who has made the work of finances and records of labor of love.

5. Our special thanks to the honored churches, Old Shallotte and Goshen, who have outdone themselves in opening their doors of hospitality to us, and for preparing and spreading such bountiful tables. We do thank you for every express of your love.

6. For our Clerk, John W. Butler, who has again challenged us to become even a greater association in giving and in all other phases of Christian life.

7. We were all blessed by the marvelous spirit of worship, love, and cooperation manifested throughout every area of our program, planning, and performance of music, devotion, reports, and messages.

8. We are indeed grateful to Dr. Carl E. Bates for the splendid heart searching message on "Christian Stewardship," and the profound way in which it was delivered to us. The message was, "Christian Stewardship is the practice of giving systematically and proportionally of time, talent and possessions, based on a conviction that these are a trust from God, to be used in His service for the benefit of all mankind."

9. We express our thanks to Miss Sara Ann Hobbs for the challenging message on missions and evangelism, and in pointing our responsibility in winning the lost at home and in sending others to the uttermost parts of the earth.

Respectfully submitted, A. W. Icard, Chairman; George H. White, Mrs. Grace Foulk

STEWARDSHIP

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptist to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus.

During the past year the churches of the Brunswick Baptist Association gave $23,579, through the Cooperative Program and $13,995, for associational missions. Last year, 1,126 churches increased their gifts through the Cooperative Program by 15% or more, and 4 associations in our state had 100% of their churches giving through the Cooperative Program. This year the Brunswick Association can be added to this list, as we had 100% of the churches participating in our missions program during 1975-76.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association.
2. That a stewardship conference or Stewardship Decision Night be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.
3. That every church conduct a stewardship emphasis this year.
4. Every church in the association giving something through the Cooperative Program for world mission support, EVERY month.
5. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
6. Every church in the association giving the suggested amount for the support of associational missions, EVERY month.
7. Have a special prayer for some Cooperative Program ministry during every service in each church during the month of October.

Respectfully submitted, Ira L. Chadwick, Representative

SUNDAY SCHOOL

First of all, I would like to express my appreciation to the members of the Associational School Council and especially to our Director of Missions, Arthur R. Waisner. Their help, advice, and encouragement to me in this my first year as Associational Sunday School Director, was most heartening.

Our associational Sunday School year was not spectular, but it was encouraging. The work was centered around our "Action Night" and the Sunday School "Action" program of Sunday School enrollment.

"Action Night" was held at Leland Baptist Church, April 26, 1976. Ten churches were represented with an attendance of approximately 125. The High Attendance Banner and the Efficiency Banner again went to Supply Baptist Church. The program featured special singing and the message by Burrl Lucas of the State Sunday School Department. Brother Lucas introduced the "Action Program" for increasing Sunday School enrollment. After the message, several churches expressed interest in learning more about this program. Arrangements were made to have Brother Lucas return again and to lead an associational training session.

This special training session for the "Action Sunday School Enrollment Program" was held August 24, 1976, at Supply Baptist Church. Fourteen churches were represented with their pastor and other leaders.

We are praying for a more active year in our Sunday School Department this oncoming year.

Please remember to pray for us.

Respectfully submitted, Joseph D. Creech, Director

VACATION BIBLE SCHOOL

In the Vacation Bible School work this year we saw many wonderful things happen. A full team enjoyed the Vacation Bible School clinic at Wingate College last March. Our associational Vacation Bible School clinic reported 103 registrations, 22 churches represented and an offering of $33.15.

We are happy to report 35 churches within the association having a Vacation Bible School, with 6 mission schools and one Backyard Bible Club. We had a reported enrollment of 1,669 in the church schools, plus 371 in mission schools and 23 in the Backyard Bible Club; a total membership of 2,063. There was only one reported 10 day school (Jennie's Branch Baptist Church).

To God be the glory for the 44 souls that were saved. I wish to express to all the Vacation Bible School team and to each church my sincere thanks in all you did to make the schools a success in this Bicentennial year of America's birth.

We look forward to working with you again this year. Please feel free to call me if I can be of help to you.

GOSHEN BAPTIST CHURCH—1852

Our knowledge of the past must depend in part on tradition passed down from generation to generation and recorded for us by the late William J. Butler, Sr.

According to tradition, the Baptist of this neighborhood during the early 1800's held services in the home of a Mr. Murrell and later in a small school house due to lack of a church building. In 1852 Bryan's Chapel Church was constituted on land donated by Mr. Joseph L. Bryan, land which at one time had belonged to former Governor Benjamin Smith. In 1858 the church joined the Cape Fear Baptist Association, with a membership of 19. In 1867 there were 35 members, and by 1871 Sunday School services were being held. On the second Sunday in February 1888, Bryan's Chapel Church voted to change the name of the church to Goshen Baptist Church. In 1899 Goshen Missionary Baptist Church entered the newly formed Cape Fear—Columbus Baptist Association, and in 1932 it joined the Brunswick Baptist Association.

The sanctuary of the present church was the original church building, although apparently at one time there was an upper balcony and the interior was unfinished. In 1893 major remodeling of the building was undertaken, the balcony removed and interior sealed. During the 1930-1940 period, five Sunday School rooms were added and additional improvements were made.

God has greatly blessed our church and community, Goshen has continued to grow through the years; since 1959 it has been with the loving guidance of Rev. & Mrs. James C. Spivey. A great expansion of the church began in November 1975, with the building of a beautiful and spacious two story educational building connected to the original sanctuary. This was completed in June 1976 through total commitment of our congregation of 114 members.

Our guest speakers for dedication of this building on June 27, 1976 were Rev. Linwood Peterson, Rev. Woodrow W. Robbins and Rev. Arthur R. Waisner. On October 22, 1976 Goshen will be one of the host churches for the Brunswick Baptist Association.

For approximately 150 years Goshen Baptist Church has been a beacon light for this small rural community. It has been kept alive through the years by many loving Christian people. May we continue to grow steadfastly in the faith of our Lord Jesus Christ who has so blessed us with Christian heritage.

We, the Members of the Brunswick Baptist Association WMU Council 1976-1977, pray that in this afternoon and evening of business and worship you will be inspired with the same desire to become involved in missions that these faithful women had on that first annual Brunswick Baptist Association WMU meeting 75 years ago.

WOMAN'S MISSIONARY UNION

1976-77 has been a great year for WMU in the Brunswick Baptist Association.. Through God's leading we have been able to begin new work at Farmer's Chapel and Goshen Baptist Churches. These people are enthusiastic and eager to begin the work for Him through WMU. Foreign and Home Mission Study books have been offered on an associational basis. A Mission Fair, Prayer Retreats, Day Camp and other activities have been offered to the age-level organizations (reports on these will be found in Directors reports). MIC (meeting improvement clinic) held at Mount Pisgah Baptist Church was interesting and informative as we worked together to improve the meetings in our local churches. The Missions Banquet for Pastors and wives and Directors and husbands was well-attended.

In September eleven of the council members attended the State WMU Workshop in Mundo Vista preparing for our leadership Training which was held in October.

All that has been accomplished this year has been done through the divine leadership of our Saviour. We are so thankful to have been a part of this great mission program.

As we continue our work in the remaining 6 months of the associational year, we covet your prayers and continued support. Questions and suggestions are always welcome. If we can help you with your local WMU work in any way do not hesitate to call us because--WMU IS OUR GAME!

In His Service, Mrs. Jackie Smith, Mrs. Ray Muckenfuss

BAPTIST WOMEN

Our first Associational Baptist Women's Meeting of the new year was jointly with the Baptist Young Women in a leadership conference, on October 26th. at Antioch Baptist Church. It was well attended with excellent teachers, Mrs. Rose K. Cook, Mrs. Ruth Craig and Mrs. Susie S. Carson and also our Baptist Women and BYW's joined in with helpful ideas too.

Our Meeting Improvement Clinic on January 13th, at Mount Pisgah Baptist Church very helpful with loads of ideas for improving meetings. This was under the very capable leadership of Mrs. Jackie Smith. We want to urge more Baptist Women to take advantage of the leadership conferences. They are geared to help you.

Meetings that are pending are May 2nd., from 10:00 til 12:00 A.M. Baptist Women, BYW Prayer Retreat and Mission Friends Happening at Soldier Bay Baptist Church with a covered dish for the ladies and a sack lunch for Mission Friends. Then on June 24th., there will be a Hobby and Craft Share Time for the BYW and Baptist Women at Calvary Baptist Church, 4:30 P.M. Ladies please bring any art or needlework - any thing you want to exhibit and share the how to with others.

Thank you so very much for your cooperation in making Baptist Women so meaningful.

Respectfully submitted, Mrs. Mildred Hewett, Mrs. Susan S. Carson

BAPTIST YOUNG WOMEN

We the Baptist Young Women of the Brunswick Baptist Association aren't as large in numbers as we would like to be, but we are great in spirit.

This Centennial year 1976 we thank God for America, as we observed our freedom with a Missions Fair at the Supply Baptist Church in July. The Leland Baptist Young Women representing North Carolina and Baptist History with a great display and appropriate dress.

The Baptist Young Women Retreat we attended at the Beulah Baptist Church was inspirational and all were blessed.

Elah, Supply, Leland, Mount Pisgah, Old Shallotte and Gospel Center Baptist Churches are involved in Baptist Young Women work. Pray for these young women as we strive to win our land and the world for Christ through our Bold Mission Thrust efforts during 1977-1979.

Respectfully submitted, Mrs. Rose K. Cook, Mrs. Catherine W. Skipper

ACTEENS

Acteens, teen-agers active for Christ in missions study, mission action, and mission support, is one of the most challenging groups we have to work with. We have only recently begun our work on an associational basis following the resignation of Mrs. Babson and Mrs. Carver.

Acteens has an associational council composed of five girls from through out the association. They are LeAnne Smith, Denise Perry, Angie Wolfe, Vesta Cannon, and Karen Babson. These girls meet periodically to help plan associational activities.

In May 1976, the Acteen Father-Daughter-Mother Banquet was held at Caswell Assembly with approximately 115 present.

Acteen directors and leaders were in attendance at the manual study at Elizabethtown FBC. In October the leadership training union in our own association was well-attended.

Recently we shared plans for begining an Acteen organization with the Goshen people. We are so thankful at the thoughts of another group of young girls getting involved in missions. Several churches have held Recognitions services for girls completing activities in Studiact.

Plans are underway for the Mother-Daughter Banquet to be held at the Supply Baptist Church on May 14. A letter concerning this will be sent to each church.

As we continue in this work we ask your support and prayers and if we can be of help to you in any way please contact us.

Respectfully submitted, Mrs. Joyce Bennett, Mrs. Grace B. Shurley

GIRLS IN ACTION

Ninety-nine Girls in Action and leaders assembled for Day Camp at Leland Baptist Church on July 24, 1976. Mission study, singing, and picnics highlighted this day for everyone.

In September, the Associational leaders had the opportunity to attend the Leadership Conference at Mundo Vista. Then on Sept. 30, 1976, we were inspired again as we met with Christian leaders at Elizabethtown FBC for manual study.

We had the priviledge of meeting at Antioch Baptist Church, Oct. 26, 1976, and shared with GA leaders the new materials.

On November 20, 1976, girls, mothers, and leaders found signs pointing the way to the Jaycee building. The Southport ladies were well prepared as host church for the GA Mother-Daughter Banquet. Everyone was truly blessed with the large attendance and with the fellowship.

To God be the glory for the acccomplishments that have taken place this year. Many churches have strengthened their GA work with some new groups organized. Most recent was a meeting at Goshen Baptist Church with anticipation of mission groups to begin in the near future.

Arrange your calendar to join with us August 6, 1977, for GA Day Camp at Friendship Baptist Chruch.

Our lives have been touched, blessed, and deeply enriched in sharing Christ with each of you this past year. With God's help, let us strive onward to reach more girls in the new year.

Respectfully submitted, Mrs. Emma Young, Mrs. Jessie Best

MISSION FRIENDS

Twenty-two Mission Friends from throughout Brunswick County met July 10th at the Supply Baptist Church for a Birthday Party for our Nation. They heard stories and played games but the highlight of the evening was a birthday cake with 200 candles outlining the way of the United States.

On October 12, 1976 a prayer retreat was held at Beulah Baptist Church and Mission Friends met at this time for stories, songs and games. The Older children made candy and everyone enjoyed this event. Five Mission Friends were present.

A WMU Leadership Conference was held October 26, 1976 at Antioch Baptist Church. Mission Friends leaders who chose to come were from five associational churches. The new manuals were outlined and new and different ideas were presented to these church leaders.

On December 14, 1976 we met with the leader of the Mission Friends at Elah Baptist Church. The new manual was discussed and plans were made to get an active Mission Friends started in that church.

Respectfully submitted, Mrs. Emmer Lee Price, Mrs. Patsy Wood

Reports

ANNUITY BOARD

The Annuity Board of the Southern Baptist Convention offers the pastor and his wife and all salaried churches church workers various retirement and protection plan benefits. The board also offers hospital protection plans. All churches should take stock and see if their pastor or salaried church workers are sufficiently covered under the various plans available.

Money paid into the program is carefully invested in mortage loans, in real estate lease backs and in stocks and bonds. This is done with the best interest of the participants in mind.

Retirement Plan C should be carefully considered by the churches in the Brunswick Baptist Association. This plan is the board's variable benefit plan, supplementing the basic retirement Plan A for the pastor. Annuity Board participation for your pastor means that he will be able to retire or his widow will be taken care of after his lifetime of service to God.

In the association, 19 pastors and the Director of Missions are enrolled in the Annuity Board Program.

Respectfully submitted, Bryan R. Smith, Sr., Representative

AUDITING COMMITTEE

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 11, 1977, and examined the financial records for the fiscal year 1976-1977.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statements and on the treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We indeed are appreciative and grateful for the excellent job she is doing.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Baptist of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions...reaching out with a helping hand; it is evangelism...sharing the joy of life in Christ; it is love and affection...the giving of hugs and kisses and friendship; it is education...teaching an appreciation for the kinder things in life; it is restoration...enabling families to function again.

Campuses at Mills Home, Thomasville, Kennedy Home, Kinston, Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

Foster Home care, a statewide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

Emergency Shelters at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days, responsible planning is made for the child's future.

The special wilderness therapy programs for boys and girls at Kennedy Home are meeting needs of children who cannot be served in conventional type programs. This program needs to be expanded to serve other areas of the state.

Odum Home construction made progress during the past year. The Sara Catherine Deal Recreation Building and the resident for the resident director have been completed and were dedicated on September 30, 1977. Excellent progress is being made on the Indian Memorial Cottage which is being financed and constructed by the Indian people of Pembroke and surrounding area.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the state who want to develop this type of program.

The Cooperative Program and the Thanksgiving Offering will be extremely important in enabling us to continue these basic and essential ministries to children and their families. We encourage and welcome churches and individuals to visit any of our facilities and to see for themselves how meaningfully this great mission effort is being conducted to honor and glorify Christ.

Respectfully submitted, Mrs. Catherine W. Skipper, Representative

BROTHERHOOD

In December, 1976 we had the pleasure of meeting with the Pastor and several of the men at Farmer's Chapel Church to help get a Brotherhood program started.

In February, 1977, I attended the North Carolina Baptist Men's Board Meeting. It was a spiritual blessing to listen to the different mission reports and hear what the men in our North Carolina Baptist Churches are endeavoring to undertake for our Lord.

We believe that God has given every man a job to do and the ability to do it. Remember that Jesus Christ promised us if we failed to use the gift that we have, even it would be taken away -- so let's get serious about our relationship with Him and see what the men in the Brunswick Association can accomplish in this church year.

On August 13, 1977 we held a men and boys rally at Bolivia Baptist Church which was well attended. We began about 3:00 p.m. with games for the boys, followed by a hot dog supper at 6:00 p.m. This was followed with a more serious rally, lead by Mr. A. L. Langley, from the Wilmington Baptist Association.

On September 15, 1977 our Association was well represented at the Regional Brotherhood Workshop at Elizabethtown FBC.

We are now making plans for a Brotherhood - R.A. leadership school for November 4th and 5th, 1977. We invite all interested to come and be with us.

We would like to express again, if we can help you in any way, please call me or Mr. Waisner. We are at your service in the Lord.

Respectfully submitted, J. Tyler Potter, Director

CHURCH MEDIA CENTER

An Associational Church Media Center Organization consists of those people in the churches of the Association who have agreed to work together in sharing enthusiasm, ideas and encouragement for media centers in churches. Those involved agree that they will seek to extend a media center/library ministry to every church in the association.

In the Brunswick Baptist Association, this organization is named the Brunswick Associational Media Center Organization. Thus it is easy to see why it is called BAMCO by its members!

BAMCO now has members from eight churches. Seven other churches reported in last year's minutes that they have church media centers. However, none of their staff members have joined in the BAMCO meetings which are held every other month. We continue to urge attendance at these meetings by every person in the association who is a member of a library staff, a pastor, or a person who has an interest in seeing his or her church begin a library ministry. One of our main purposes is to provide assistance to any church wishing to establish or re-activate a church media center.

During the year Sabbath Home, Calvary and Supply Baptist Churches held media center dedication services. Jennies Branch Baptist Church is working on its collection and is planning to open its media center in the near future.

Regular meetings of BAMCO were held with helpful programs presented and ideas shared. In spite of extremely bitter weather a Media Center Workshop was held at Antioch Baptist Church in January. Mrs. Peggy Thompson, Approved State Worker, led the workshop. Attendance and participation were excellent and Antioch's hospitality unbounding. Several of the churches observed national Library Week in

April, but no church in our Association was represented at the State Library Conference.

For the 1977-78 church year our plans are to have meetings featuring media classification, ways of promoting library services, audiovisuals education, a study course, a study of the Achievement Guide and an inspirational meeting in August at which time we will also have reports, install officers and announce plans for the year to follow. Several members are already making plans to attend the State Library Conference in April of 1978.

Our meetings have been listed on the Associational Calendar for 1977-78. You are cordially invited, and even urged, to meet with us and let us share with you our enthusiasm and our ideas of what a Media Center can mean to the ministry of a church.

Respectfully submitted,
Susan S. Carson, President

CHURCH MUSIC

Last year, we were privileged to have with us Charles S. Gatwood, Director, Department of Church Music, Raleigh. Mr. Gatwood led us in a music clinic held at Calvary Baptist Church. Those who attended were informed concerning methods and means of enhancing our local church music. We were challenged and blessed during the course of this clinic.

It is our fervent prayer, that, in the near future, we might have some sort of cooperative associational music venture. In the spirit of the sweet singer of Israel, "Let us come before His presence with singing and enter into His courts with praise." Let us give God the glory and with all the strength within us herald forth the Lord.

Respectfully submitted, William B. Greer, Director

CHURCH TRAINING

Our year began with a good turn out for Associational Church Training "M" Night held with Elah Baptist Church. The 15 churches witnessed, as the highlight of the evening, a film on witnessing. There was a total attendance of 286, with Soldier Bay Baptist Church taking the "Highest Attendance Banner" for the largest number present, plus, the "Precentage of Enrollment Banner" for the highest percentage of their enrollment present. Farmer's Chapel Baptist Church won a plaque for the church without an active Church Training Union with the largest attendance.

The year continued in blessings as we met for the Associational Youth Night at Shallotte FBC, March 19. This was a conclusion of Youth Week observed by many of the churches. We all received a blessing as the youth took part in the program with singing and testimonies. There were 127 in attendance (mostly were young people) with Soldier Bay Baptist Church and Woodburn FBC each with 21 present. Many of our youth attended, in August, Youth Evangelism Night, held in Greensboro Coliseum, Greensboro.

The new 1977-78 Church Training booklets on "Developing Your Church Training Program" have been distributed to many of our Church Training Directors or the pastors. If you would like to use this literature, please contact the associational office and they will assist you in securing copies.

The Associational Church Training staff appreciates your cooperation during this past year and looks forward to serving you in the new year.

COOPERATIVE MINISTRIES

The year of our Lord, 1977, makes 17 years that I have worked with the Department of Cooperative Ministries. We have seen progress of which we are justly proud. There was a full team at the yearly Vacation Bible School Clinic. It was a great pleasure to view these workers sitting around a table and planning their own work for the year.

I helped at one institute held this spring at Saint Johns Baptist Church, Bolivia. At the close of the institute, a young junior deacon stood and said that he was a member in the Intermediate Class of the first Vacation Bible School held in the church. The, others began to tell about being in the same school and what they are now doing in their own church. The pastor said that I wasn't in Mrs. Robbin's school but I have worked with her through the years and I am her friend in Christ.

Miss Linda Jenwright, a member of Bethleham Baptist Church, came forward to dedicate herself in a church related vocation. We have been in touch with Corbin Cooper, Director, Department of Cooperative Ministries, Raleigh, to guide her in the choice of a school and to help with scholarship aid. Miss Jenwright is a fine young Christian lady. Our prayer is that she will be of much service in the Lord's work.

I held four schools this summer; Saint James, Saint Johns, Bethleham, and Macadonia Baptist Churches. Davis Chapel Baptist Church had to cancel this year for the lack of teachers, three had gone to work and one was ill.

I was explaining to Rev. M.C. Herring about the school at Saint Johns Baptist Church. He said, I guess you know that I am one of the boys, too, and truly he is. I have given encouragement as he has worked so hard to obtain an education while busy preaching, working, and raising a family. Most of our pastors know him I'm sure. He is an outstanding young man of whom we are all justly proud.

Pray for us as we enter another year, that we might be about our Father's business.

Respectfully submitted, Mrs. Elsie B. Robbins, Representative

CREDENTIALS

Faith Baptist Church, Bolivia, as of April 3, 1977, request admission into and to become a member of the Brunswick Baptist Association. The church states a desire to meet all the requirements as stipulated in the constitution of the association as a member church; to support the association with financial assistance, to attend its meetings, to participate and to cooperate with the best of its ability in all the phases of the associational work.

The committee recommends that Faith Baptist Church be admitted under the watchcare of the association, and to submit quarterly reports as called for by the constitution for a period of one year before being admitted into the full fellowship of the Brunswick Baptist Association.

Respectfully submitted, Tom L. Ballard, Chairman, Anson Smith, Carl D. Andrews

DIRECTOR OF MISSIONS

Dear Co-Workers, Messengers and Friends:

It is with a deep sense of gratitude that I come before you today. The Brunswick Baptist Association has experienced new growth in most every area of our lives during this year. Our churches are growing rapidly in membership, buildings are being enlarged and new ones built. Ocean View has a new sanctuary, Oak Grove has a completely new plant in a new location, Shell Point is near completion of a new sanctuary, Gospel Center is near completion on a new sanctuary, Supply occupied a new educational building this year, Jennie's Branch is constructing a new sanctuary, Shallotte First has a new educational building, Leland has completed a new pastorium, Town Creek is near completion on a new pastorium, Elah added a new steeple and moved the old church building, Old Shallotte completed a new educational building, and Bolivia purchased property, graded and paved a parking lot. New Life has completed a new fellowship building. New Pastors coming to us this year are as follows:

Rev. Lee Singleton, to Boone's Neck - Rev. John W. Elder, Jr., to Southport - Rev. Henry L. Register, to Supply - Rev. Billy L. Buchanan, to Leland - Rev. Kenneth D. Benton, to Peace Memorial - Rev. A.G. Ferris, to Bethel - Rev. Charles R. Glisson, to Temple - Rev. Charles F. Trull, to Woodburn FBC. We extend a cordial welcome to each of you and look forward to working with you. I think our meetings were well attended during the year. There were 286 present for our Associational Church Training "M Night" program last November 22, a film was shown that challenged our people. Last November 15-17, the Baptist State Convention convened in Fayetteville, our Association was well represented. Thanks to all who attended. February 7-9, our State Evangelism Conference met in Greensboro and was well attended by our people. February 19, our Mission Rally was held at the Supply Baptist Church for our 28 Missionaries and hosts. Our World Mission Conference was a success and many lives were blessed by it.

There was a grand total in attendance of 3,403 and an average of 1,200 attending with 81 decisions made. I want to share an appreciation certificate with you that we received from the Baptist State Convention. Those of you who participated deserve much of the credit, your efforts were greatly appreciated. March 3-4, Our Associational V.B.S. Team attended the State Clinic at Caswell Assembly - The Associational Clinic was held March 28, at the Soldier Bay Baptist Church, there were 89 in attendance. March 31, a Stewardship Seminar was held at Mount Pisgah, led by Rev. Harold White, from Raleigh and Rev. Marion Parker, from Troy, N.C.

April 16, all Pastors, Wives, Deacon Chairmen and wives were invited to Bennett's Restaurant, by our Baptist Children's Homes. Dr. Wagoner, Rev. Earl Haynes, Rev. Richard Smith, and Dr. Nathan Brooks, shared with us the pressing need to increase our mission gifts.

May is the month that we begin attending briefing meetings looking at the coming year. This continues through September. This has been a very busy year for your Director of Missions. We did not attend the Southern Baptist Convention nor Home Missions Week at Ridgecrest this year. There were other meetings to attend, beginning in July of this year the Baptist State Convention began inviting all Directors of Missions to the General Board meetings, this added four meetings a year to our schedule. During this year your Director of Missions attended the Baptist State Convention, the Baptist State Evangelism Conference, a Sunday School Briefing Meeting in Raleigh, the State V.B.S. Clinic, the Annual Directors of Missions Meeting, two mission team planning meetings, one Regional Church Training Meeting in Wilmington and a Sunday School Teaching/Learning Meeting in

Whiteville, conducted one revival, taught Adult V.B.S. Classes, preached almost every Sunday, taught January Bible Study Course, planned and directed World Mission Conference, assisted in planning all associational meetings, met with all committees, some more than once, assisted in planning Calendar of Activities, program for Annual Meeting, corresponded with all program personalities, worked with all organizational directors in getting new officers for 1977-78, councelled with many individuals and groups, and traveled a total of 32,420 miles this year.

Thanks to everyone who assisted in making this a wonderful and successful year. We love you and appreciate your sweet spirit of cooperation.

Respectfully submitted,
Arthur R. Waisner, Director of Missions

EVANGELISM

"Bold In Creative Witness" was the theme of the 31st Statewide Evangelism Conference held at the War Memorial Auditorium, Greensboro, February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging message of the evangelistic speakers.

The pastor's evangelism planbook 1977-78; Evangelizing and Congregationalizing, has been sent to all churches. It includes various emphasis on the Evangelistic Church on Bold Missions. Additional information on this theme will be shared with pastors and church leaders.

Over 500 youth and adults came to the North Carolina Baptist Assembly at Caswell, for the Youth Ministry Week, June 13-17, and many different types of decisions for Christ were made public by the young people. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors and adult leaders attended the 7th Statewide Youth Evangelism Night, August 19, held at the War Memorial Auditorium, Greensboro. All young people who made decisions for Christ were contacted by pastors and adults with regard to specific followup counseling.

Across the state, 36 churches held one week youth revivals and youth witness training under the direction of four summer youth evangelism teams. Let us rejoice in all the decisions for Christ made by these young people.

Excellent reports have been received on lay Renewal Weekends and Ministry Evangelism Weekends in the various churches. Some 65 associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals. Several thousand persons have attended evangelism clinics and conferences across the state. Good reports on revival meetings and city-wide crusades have been received.

Associations and churches are involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W.O.W.-Win Our World, has to do with specific witness training for the youth in the local churches.

We are thankful for our Associational Director of Missions, Arthur R. Waisner and the emphasis upon evangelism in his work with the local churches.

Respectfully submitted, Henry E. Jenkins, Chairman of Evangelism

GENERAL BOARD

The January 1977, General Board meeting, convened in the new Adult Conference Center at Camp Caraway, which was dedicated during this meeting. This beautiful and practical center is equipped to feed, house and provide meeting space. It is an invaluable asset to North Carolina Baptist.

During the year, attention has been given to the state mission goal of $1,385,000 as adopted by the state convention last November. This special offering was taken on the 18th of September throughout the state. Indications are that we did not meet the goal but receipts are already more than double those of the previous year. Our offering in the Brunswick Baptist Association was double last year's offering.

Baptist in North Carolina have been challenged to four Bold years beginning with 1977 and climaxing with 1980, the 150th anniversary of the North Carolina Baptist State Convention. Bold mission venture by the convention and the churches, bold commitment by our people, major advance in mission support, church growth, and development of an informed Baptist people about our Baptist heritage, Baptist ministries and our Baptist policy are called for along with creating a high level of trust which will enable us to do bold missions.

With reference to these goals, every church in the state is urged to have its messengers and several visitors attend the Baptist State Convention in 1977. An attendance goal of 6,000 has been set. In Fayetteville last year, only 2,877 persons attended with 62 percent of the church not represented and 6 associations without a single messenger. Changing this trend would start us on the road to having better informed Baptist. The more informed we are, the better we cooperate.

The last board meeting was given over to hearing reports to go before the convention and to the consideration of the proposed budget for the convention. Copies of this proposed budget will be mailed to pastors prior to the convention.

Beulah, Ocean View, and Caldwell Memorial Baptist Churches have received financial aid from the state convention during the past year.

Respectfully submitted, Ira L. Chadwick, General Board Member

HISTORIAN

In the August 1977 issue of the Associational Newsletter there was a request that any church having information of an historical interest to please share it with the Historian for his annual report to the Association. To date no information has been received from any chruch.

The historical information which is on hand has been collected from information found in the monthly Associational Newsletter in the section on news from the churches. From this source we learn that several churches have been engaged in building programs during the year - new sanctuaries, educational buildings and other structures. Many of the churches participated in the World Missions Conference held in February. Several churches have called new pastors, and we have been challenged to a greater prayer effort for missions, and have been encouraged to do more Bible study. All churches were shown as having made contributions to the on-going program of the Brunswick Association. We have been instructed to beware of false prophets and it was specifically pointed out Sun Moon and his followers had been busy in Brunswick County making money to spread the Moon religion. They have been doing this by selling flowers, candy, etc. Our challenge is to give our money to the Cooperative Program through our local church to spread Christ's message to all the earth.

We still do not have a history of each church of the association and many of the ones we do have are not complete. Your Historian would appreciate it if each church would appoint an Historian to either write a history or collect the material for such, or bring the written history up to date. Your Historian can put you in touch with someone to write your history if the material is made available.

Respectfully submitted, William F. Deitz, Historian

MISSIONS

Southern Baptist have adopted a bold, exciting mission thrust which calls, not only for the commitment of each state convention, but also for each association, each local church and each individual christian. Total commitment to missions is no more than our Lord asks of us. He has provided both the authority and the power to evangelize our community, our state, our nation, yes, even our world.

While as Southern Baptist, we are part of this exciting goal to reach the world with the gospel by the year 2,000, let us as Brunswick Baptist and individual followers of Christ seek to reach each person in Brunswick County this coming year with the gospel of our Saviour. We are at present experiencing a tremendous growth rate in our county. This presents new challenges to our Churches to reach these new-comers with the life-changing message of Christ.

As the Missions Committee has met for its regular sessions, we have discussed the possibility of beginning a new church work in the rapidly growing area located on highway 133 south of Wilmington. We will be studying the possibilities of this work more closely in this coming year.

The work of the Brunswick Baptist Association needs the support of every member of every church in order to meet the challenge which 1978 shall present. The task can be accomplished only by your prayerful, financial and physical support.

Respectfully submitted, B. Douglas Worley, Missions Committee Chairman

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The establishment of the North Carolina Baptist Foundation as an agency of the Baptist State Convention was approved in 1919 and chartered in 1920. The objectives of this agency of the Convention are to promote the making of gifts for the causes and objects fostered by the Baptist denomination in North Carolina in cooperative undertakings.

At no time in its history has the Foundation idea lacked the respect of the denomination leadership, though admittedly it did struggle for survival for about 50 years. Finally, as the Convention became stronger financially, it provided the operating funds that permitted the Directors in 1962 to employ its first full-time staff. Today the total assets of the Foundation exceed 3.7 million dollars and the accumulative benefits paid to beneficiaries exceed 1.2 million dollars.

The Foundation is the only agency or institution receiving its total operating budget from the Cooperative Program. Its Board of Directors is elected by the Convention on staggered terms of five years. The staff of the Foundation consists of the Executive Secretary, Director of Estate Planning, Staff Assistant, Treasurer, and legal counsel retained for consultation and preparation of contracts, agreements and other matters.

The emphasis of the Foundation is stewardship. It seeks to create an increased awareness of and interest in a total Christian commitment as it involves life and possessions. Other factors involved include technical and legal assistance in estate planning and distribution of assets. The Foundation thus provides financial assistance for all Christian ministries sponsored by Southern Baptists. Specific institution or mission causes may be named as trust beneficiaries.

The source of most assets now held by the Foundation is the testamentary gifts or wills. The charitable remainder trust and the living charitable trust are also often used. It has been said that "through our investment in the Foundation that supports the Cooperative Program permanently, we now **are** the Cooperative Program."

NORTH CAROLINA BAPTIST HOMES, INC.

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than a thousand people from our Western North Carolina Baptist Churches, as well as many other throughout the state, were present. Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accommodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. This will mean 66 more people will be served in our Baptist Homes in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February Offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The future of our North Carolina Baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

Respectfully sumbitted, William A. Poole, Executive Director; J.D. Hewett, Representative

NORTH CAROLINA BAPTIST HOSPITAL, INC.

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depiciting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 438 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by the staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. Last year $249,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,226 compared to a total of $405,947 for the preceding fiscal year.

RELIGIOUS LITERATURE

BIBLICAL RECORDER:

What is perhaps the greatest challenge faced in all the history of Southern Baptist is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined.

The heart of the program is to evangelize and congregationize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U.S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptist. No investment pays greater dividends.

J. Marse Grant, Editor, BIBLICAL RECORDER:
Mrs. William A. Clemmons, Representative

RESOLUTIONS COMMITTEE

We, the Resolutions Committee recommends that:

1. We, the messengers of the 79th annual session of the Brunswick Baptist Association give to the Lord our most ardent praise and thanks for His love and grace, and for the victories given through Jesus Christ this year, for souls saved, and great strides forward made in all phases of our work within the association.
2. We wish to congratulate our Moderator, Truette Rogers, and all others who have worked with him, for their performance on the program and thanks for bearing the burdens of the work.
3. We wish to expecially commend our Director of Missions, Arthur R. Waisner and his devoted wife, as they have labored so faithfully in all the phases of our work.
4. We thank Miss Ruth Galloway, Associational Treasurer, who has done an outstanding job in making the detailed work of finances a beautiful labor of love.
5. Our special thanks to the honored churches, Leland and Sabbath Home, who have outdone themselves in opening their doors of hospitality to us and spreading such bountiful tables. We do thank you for every expression of your love.
6. For our Clerk, John W. Butler, who has again challenged us to become a self-supporting association and to strive greater in all other phases of Christian life, for the great job he is doing.
7. Our hearts are profoundly grateful for the marvelous spirit of worship and love and cooperation manifested throughout every area of our program, the planning and the performance of the music, the devotions, the reports, the special music, and the special messages heard.
8. We are indeed grateful to Truette Rogers, our Moderator, for his moving message on, "Why I Cannot Put Down the Cross," Galatians 6:9-18; to B. Douglas Worley, host pastor, and Vice-Moderator, for the stirring message of, "Unity of Our Christian Faith," I Corinthians 3:9-10. May we follow them in their instructions.
9. We recommend that we daily pray for our pastors, who constantly bear the burden for the lost, the sick, and the unchurched within our association and for our Baptist State Convention leaders who give of themselves to the work of the Kingdom.

Respectfully submitted, Henry E. Jenkins, Chairman, Dan E. Bennett

STEWARDSHIP

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions". "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave $25,300 through the Cooperative Program. Last year our churches gave $15,283 for associational missions.

WE RECOMMEND THESE GOALS:

1. Every church in the association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for world mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers in Giving Through a Growing Commitment."
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their stewardship programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

Respectfully submitted, Ira L. Chadwick, Stewardship Chairman

SUNDAY SCHOOL

The Southern Baptist Sunday School Board, largest agency of the Southern Baptist Convention, reported a very encouraging year.

Sunday School enrollment for the year 1975-76 year increased by 90,000. A major effort to improve the quality of teaching and learning in the Sunday School was launched in the Spring of 1977.

Christian Home Week activities, conferences and retreats related to family enrichment and special attention for single adults were the primary efforts related to the support and enrichment of family life.

Ridgecrest (N.C.) and Glorieta (N.M.) Baptist Conference Centers reported a total of 88,650 guests registered during the year. Both centers now operate on a year-round basis.

In the program of book store operation, sales for the year were $32,395,419 which was $1,759,988 above budget and $3,685,708 above last year. Also, sales for Broadman Press were $7,749,320, an increase of $1,164,639 over last year. In the program of church services and materials development, periodical circulations averaged 12,945,000, 11 percent above last year.

The present value of all property reported in the Southern Baptist Convention is $6,221,128,761, representing an increase of $606,222,358 over last year.

The Brunswick Baptist Association Sunday School Officers, along with the Director of Missions, attended a Sunday School Teaching-Learning Workshop in Whiteville, Columbus Baptist Association, in March of 1977. An associational workshop was conducted on April 18-19, 1977 at Boiling Spring Lakes FBC. Participating in this workshop were Antioch, Boiling Spring Lakes FBC, Calvary, Lebanon, Sabbath Home, Southport, Supply, and Town Creek Baptist Churches.

Bible Study is good for the individual, therefore, our churches must accept the responsibility of enrolling every person possible in the Sunday School, with the ultimate goal of winning the lost to Christ.

Respectfully submitted, Alfred Willetts, Director

VACATION BIBLE SCHOOL

We are happy to report 29 churches conducting a Vacation Bible School this church year. During the year, our ten member team joined with other associational teams at Caswell Assembly for the annual State Vaccation Bible School Clinic.

High goals were set in believing that every church in the Brunswick Baptist Association could and would conduct a school. However, only 34 out of the 39 churches have reported a Vacation Bible School.

Even so, our records show an increase in enrollment. Last year, 35 churches reported an enrollment of 1,669, the enrollment reached 2,385 with 34 churches this year. We thank God for this, His blessings.

Of the schools reporting, 16 were merit, with five advanced and one distinguished. There were held three, ten day and one, eight day schools. We wish to thank everyone who had a part in making possible these 34 Vacation Bible Schools.

Mrs. Elsie Robbins has had a good year working through Cooperative Ministries with the General Baptist of North Carolina. She has reported four schools with an enrollment of 142 children.

To God be the glory for the 33 souls saved, and the 20 rededications of lives. I believe that with God's help and your continued and sincere support, we will make 1978 the Best Year Yet!

No Mission Schools or Bible Clubs were reported this year.

Respectfully submitted, David C. Adams, Director

BOILING SPRING LAKES FBC — 1965

In the early 1960's, a group of Boiling Spring Lakes residents met in the home of Mr. and Mrs. James W. Hufham to conduct religious services. These meetings were held each Sunday in the various homes until 1965, when the group was organized into a Missionary Baptist Church, Boiling Spring Lakes FBC. The newly formed church functioned as a mission under the watchcare of the Brunswick Baptist Association until it attained membership at the October of 1968 annual session.

By 1966, the church numbering 15 members, was holding Sunday School and Worship service in the County Club Building. The midweek prayer services were conducted in the home of Mr. and Mrs. Charles Pack.

In the spring of 1967, Boiling Spring Lakes FBC, together with nearby Lebanon Baptist Church, formed a church field and also, jointly purchased a parsonage for the pastor.

In January of 1968, as the construction of the sanctuary began, church worship was moved to the parsonage. The sanctuary was completed with the first service held May 11, 1969. The dedication service was conducted by Tom H. Williams on June 22, 1969.

Robert C. Johnson, Jr., became in 1974, the first full time pastor.

The Women's Missionary Union was organized in May of 1968, with Mrs. Jesse Reynolds as president. The first Vacation Bible School was conducted the following June. The present constitution was adopted in February of 1969.

Church Membership was 18 in 1967; Sunday School was 26; total receipts were $2,108. Five years later, 1972, Church membership was 109; Sunday School was 106; total receipts were $15,892. Today, 1977, Church membership is 119; Sunday School is 96; total receipts are $24,125.

BOLIVIA BAPTIST CHURCH — 1912

In the year 1912, there was only one church in the town of Bolivia, a Methodist Church. A need for a Baptist Church was seen, and as a result, a group of Christians and the Rev. J.O. Albright organized the Bolivia Baptist Church. Among this group of Christians were F. London Lewis, A. Gamalia Mintz, Mrs. Henrietta Mercer, Mrs. Margaret Edwards, Mrs. Doshier Mercer, and Miss Bessie Willetts.

A one-room school house was used for worship services while plans were drawn for constructing a church building. The community-wide contributed most of the funds and the members performed the work.

The building was a frame structure with a bell, plain-glass windows, and a seating capacity of 150; dedicated in 1912. The first pastor was C.N. Phillips.

In August of 1947, a building committee composed of S.H. Hilburn, L.L. Edwards, L.S. Holden, L.W. McKeithan, Robert C. Phelps, Mrs. Foster Mintz, and Mrs. J.D. Johnson headed up the construction of the Sanctuary now in use.

Due to the growth of the church and the increase in attendance, there was a need for more classrooms. The church purchased in 1956, as a new building, the two-story structure at the rear of the Sanctuary. In 1969 this structure was torn down to be replaced with the present brick educational building.

A pastorium was built in 1958 on a site donated by Thurston Clemmons.

Bolivia Baptist Church has during the years ordained G. Manley Hocutt and licensed to preach L.W. McKeithan, James K. Johnson, James F. Jones and Warren Bullard.

Church member was in 1913, 8; in 1923, 85; in 1950, 93; in 1960, 148; in 1970, 117, and in 1977 is 114.

Bolivia Baptist has been a member of the Brunswick Baptist Association since 1913. A Gamalia Mintz and F. London Lewis were the delegates present for the session.

Memorial Service

We observe the Memorial Service in memory and honor of the deceased ones whom we love. When we begin to reminisce, a number of things come to our minds that reminds us of them; the place where they lived; their lifestyle; the church where they worshipped and served the Lord, also the markers at the cemetery where we visit occasionally, Then, we remember their faith, love and devotion. These things set them apart from the world. Our Lord said, "Come ye out from among them and be a separate people."

When we meditate upon these things there must come a spirit of thanksgiving in our hearts for what Jesus told his disciples, "Let not your hearts be troubled; Ye believe in God, believe also in me. In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you, and if I go and prepare a place for you, I will come again and receive you unto myself; that where I am, there you may be also."

Death is not the master of the house but the servant whereby we go from this time zone into eternity: O death where is thy sting? O grave where is thy victory? The Psalmist said, "Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; Thy rod and Thy staff they comfort me."

There is something great for God's people. Jesus said, "I am the resurrection, and the life; he that believeth in me though he were dead, yet shall he live; and whosoever liveth and believeth in me shall never die." "Though he be dead yet shall he live." Therefore whether we live or die we belong to the Lord.

Respectfully submitted, Clinton L. Turner

WATCHWORD FOR THE YEAR: "But they that wait upon the Lord shall renew their strength, they shall mount up with wings as eagles; they shall run, and not be weary; and not faint." Isa. 40:31

WMU DIRECTOR

Bold Mission Thrust has been the theme in WMU planning and doing this year, from the local church to the ends of the earth. State-wide and associational training sessions have been held for teaching missions, our special emphasis for the year.

Special programs were studied each month on how to witness in connection with our goal to reach every person with the Gospel by the year 2000 A. D.

"If it's to be, it's up to me," was the slogan introducted at Kansas City and again at the Atlanta Convention. We are the stewards of this Bold Missions Thrust. WMU women will do something about it. For we are going forward in this program until every church is organized with a full graded program, all ages studing Biblical, contemporary, and future missions.

We will pray that youth and adults will dedicate themselves to the task and surrender for special service at home and abroad.

We are stewards of this mighty Christian movement. Let's get into it with heart, feet, and brain. For, "If It's To Be. It's Up To Me."

Respectfully submitted,
Mrs. Ruth Craig,
Associational WMU Director

BAPTIST WOMEN

Baptist Women and Baptist Young Women began the year with an Associational Leadership Workshop. This planning and study session is one of the most important meetings of the year.

In November, the World Day of Missions was observed at Oak Island Baptist Church, with the theme, "A Vision and A Hope." This was followed by the study in the churches of the foreign missions book, "Rivers of Ink."

An Arts and Crafts Fair was conducted at Friendship Baptist Church, and a home missions study, "A Touch of Spring." at Mount Pisgah Baptist Church.

The state meeting in Fayetteville during March, was attended by nine of our ladies. Other events were: the annual meeting at Old Shallotte; a prayer retreat at Bethel; A retreat and book study, "The Seeking Women I Am," at Soldier Bay and Oak Island Baptist Churches.

The Missions Banquet for the church WMU Leaders, pastors and wives was a wonderful occasion at Supply Baptist Church.

Several of the ladies attended retreats and conferences held at Ridgecrest, Munda Vista, and Caswell Baptist Assembly.

All are making Bold Mission Plans for this year when all Southern Baptist, State and Association-wide are centering on Bold Mission Thrust with pray and efforts to win the whole world to Christ by the year 2000 A.D.

Respectfully submitted,
Mrs. Grace Shurley,
Baptist Women's Director

GIRLS IN ACTION

This past year has been an exciting one for Girls In Action. All of us are happy when we see these young girls meeting to learn about missions and enjoy the activities planned especially for their age group. There have been many seeds sown in their hearts this year which we hope to see bear fruit in future years as they take their places in church and denominational leadership.

Day Camp was held at Friendship Baptist Church. Girls, leaders, and helpers came from all over the association to learn new songs, games, and crafts. Town Creek Baptist Church had the largest number of girls and was presented the banner.

On May 6, at Leland Baptist Church, our Mother-Daughter Banquet was held. Shell Point Baptist church had high attendance.

In June, a new G. A. group was organized at Oak Grove Baptist Church. While in September, we attended the WMU Workshop held at Munda Vista. Again in September, our Day Camp was conducted at Town Creek Baptist Church. About 120 girls and leaders were in attendance. The Director of Missions, Arthur R. Waisner and Luke, thrilled the group with his puppet missionary message.

Pray with us that the church of the association will see the need for missionary training for the youth and let us come in to help get started.

Respectfully submitted,
Mrs. Jessie Best,
Associational Girls In Action Director

MISSION FRIENDS

A Mission Friends, "Day at the Park," was held November 7, 1977, Oak Island Baptist Church. Everyone brought a bag lunch and a good time was had by all.

A home mission study was conducted at Mount Pisgah Baptist Church on January 3, 1978. On March 25th, an egg hunt and a, "Show and Tell," was held at Town Creek Baptist Church. About 62 Mission Friends were present.

Our lives have been blessed by sharing Christ with these children. If there is any way we can help you with the Mission Friends work, please call on your associational workers.

Respectfully submitted,
Mrs. Vernice Hughes;
Mrs. Patsy Wood,
Mission Friends Co-Directors

AMERICAN BIBLE SOCIETY

1977 was the year in which more people were reached with God's Word than ever before in Bible Society history.

Since its founding in 1816, the only goal of the American Bible Society has been to translate, produce, and distribute the Scriptures to people everywhere in a language they can understand and at a price they can afford.

DISTRIBUTION IN LATIN AMERICA

The distribution of New Testaments throughout all of Latin American increased 56.8 percent. For the first time in many years the Cuban government granted the churches of Cuba permission to import 2,500 Bibles and 2,500 New Testaments.

DISTRIBUTION IN AFRICA

In Ethiopia the distribution of complete Bibles jumped from 28,396 in 1976 to 71,397 in 1977. In Sierra Leone, Bible distribution was up 180 percent. And in

Uganda a 156 percent increase was achieved in the circulation of complete Bibles. The increase in distribution of New Testaments was also up in many of the countries in Africa. Total distribution throughout all of Africa increased approximately 37 percent.

DISTRIBUTION IN ASIA

In the Muslin countries of Iran, Iraq, and Jordan, where Christian witness is so diffucult, more than 19,000 Bibles were distributed in 1977 as compared to less than 3,000 the previous year. Distribution throughout all of Asia increased from 120,729 Scriptures in 1976 to 170,876,296 in 1977.

DISTRIBUTION IN EUROPE

Although overall Scripture distribution throughout Europe was down slightly in 1977, Yugoslavia achieved an increase in the distribution of complete Bibles from 6,251 in 1976 to 23,136 in 1977.

DISTRIBUTION IN THE USA

Total Scripture distribution (114,283,716) throughout the United States was down slightly from 1976.

GOOD NEWS FOR NEW READERS

Distribution opportunities for complete Bibles and New Testaments are limited in many areas of the world because the level of literacy is so low. The Bible Society's answer to this problem is the GOOD NEWS FOR NEW READERS program where those just beginning to read can discover God's Word through a graded series of Scripture Selections in a language and format they can easily read and understand.

TRANSLATIONS

An average of nearly once every two weeks during 1977, somewhere in the world a group of people who have never before had the Word of God in their own language, received a Portion of Scripture for the first time. By the end of the year, at least one book of the Bible had been published in a total of 1,631 languages, an increase of 28 during the year.

ABS VOLUNTEERS

Much of the success achieved for the Bible cause in 1977 was due to the untiring efforts of more than 30,000 ABS volunteers who carried out local distribution programs in hospitals, schools, jails, missions, and places of business; presented the need of the Bible cause to churches; gave radio interviews; and recuited members for the Bible-a Month Club.

FINANCIAL SUPPORT

Total income of the ABS from all scources in 1977 was $29,871,640. The churches of the Southern Baptist Convention contributed $251,908 or approximately $ .022 per member.

The American Bible Society asks for our continued prayers so that together with the churches of the Southern Baptist Convention and all willing Christians everywhere, our combined efforts to bring His Word to all those who are in desperate need of it will be blessed by God.

George Rotha Hickman,
Representative

AUDITING COMMITTEE

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 13, 1978, and examined the financial records for the fiscal year 1977 - 1978.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statments and on the Treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We are indeed appreciative and grateful for the excellent job Miss Galloway is doing.

BAPTIST CHILDREN'S HOME OF NORTH CAROLINA, INC.

The programs, services and facilities of the Baptist Children's Home of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. It is the purpose of the Homes to provide quality care and to be worthy of the faith and conference of our many friends and supporters.

Request are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when child care can be provided reasonably close to a child's home.

In the Eastern area many exciting programs and services are provided at Kennedy Home, Odum Home, McMeill Home, Henderson Emergency Home, foster homes, the wilderness education-therapeutic program, vocational rehabilitation, programs of crises intervention, counseling and family education.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

Thank you for your prayers and gifts this year.

Respectfully submitted,
Mrs. Catherine W. Skipper,
Representative

BROTHERHOOD

Thanks to our Lord for the cooperation from the pastors and the men of the churches. We are slowly making progress in the Brotherhood Department of the Brunswick Baptist Association.

On October 30, 1977, we enjoyed the privilege of meeting with the pastor and several men of Mount Pisgah Baptist Church to organize a Brotherhood unit.

A Leadership Confernece was held at Jennie's Branch Baptist Church, November 14th, with 27 men in attendance. We returned to the church on the 17th to help organize another Brotherhood unit.

On April 15, 1978, a prayer breakfast for World Missions was held at Leland Baptist Church, with about 25 men present. Mr. Woodrow Lennon, Wilmington, N. C., was the guest speaker. Represented were six of the churches.

I had the opportunity to attend a state-wide Key Leadership Conference at the Ridgecrest Conference Center, on May 15-17. Upon my return, an associational conference was held on July 24, Sabbath Home and July 31, Town Creek Baptist Churches, with a total of seven church in attendance.

We would like to challenge our churches to realize the man power is available in order to train the men for service for our King. So, let's make this the best year yet for our Lord and Saviour, Jesus Christ. Can we afford anything less after what he has done for us?

Respectfully submitted,
J. Tyler Potter,

CHRISTIAN HIGHER EDUCATION

Baptist of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-1978 academic year, the full-time enrollment of the colleges was 13,000.

Baptist colleges serve Christ and Baptist people best when they are trust to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends.

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Brunswick Baptist Associational has for the first time this year participated in the Christian Life and Public Affairs organization of the Southern Baptist Convention.

In the past, Southern Baptist have always been concerned about the welfare of its members and the world. This concern has been demonstrated by ministering to the spiritual and physical needs of others. The third part of this concern which has been somewhat neglected is their action to promote social welfare. By this, I mean action to confront power structures that try to lead America and the world toward the wrong way, action to influence the political process in the U.S. on issues which affect our daily lives, action to promote a higher quality of Christian family life and action to provide Christians with current information on social issues in order to help them become better citizens.

I participated in a state-wide Key Leadership Conference at Ridgecrest, May 15-17. Later, I led two associational conferences. Some of the goals set at these conferences were to distribute literature published by the Christian Life Commission of the Southern Baptist Convention. Plans are to met with BAMCO, October 24th, to suggest ways our Church Media Centers may introduce and promote Christian Life materials in the churches. Also, the pastors can be instrumental in providing the materials to their members.

I have spoken to Senator Jesse Helms about introducting a bill against using children in pornographic literature and movies.

Because of my deep concern for the quality of family life in America, I plan to stress Family Life Enrichment for the 1978-1979 church year.

Christians, it is time to wade out into the deep waters. Jesus showed his love and concern for the world through his actions as well as his words. We must become informed citizens, then act on the information that we have. We must be praying citizens, citizens who hide God's precious Words in our hearts and to be citizens who always trust in God's power and wisdom which comes from him when we ask for it. Sometimes the waters get cold, sometimes it almost gets too deep, but Jesus is there with outstretched hands and the rewards are a better world for our children and grandchildren and a Savior who will say, "Well done my good and faithful servant."

CHURCH MEDIA CENTER

In making the Church Media Center report for the 1977-1978 church year, there are perhaps some fundemental questions that should be answered: Why have a church media center? Will people use it?

Happily, this report can state that eight of our churches in the association are answering these questions in a positive way and are operating successful libraries. Seven other churches have elected library directors, although their libraries are not actually in service at this time. Other church leaders have expressed an interest in what a media center can mean in their churches. It is to these that the Brunswick Associational Media Center Organization, or BAMCO, as we call it, offers its services.

During the year a fine spirit of enthusiasm and helpfulness was evident in the BAMCO organization. Six meetings were held in various parts of the association and emphasized six different phases of Media Center work. Attendance at all the meetings was good and ideas for better services to the churches were exchanged.

One of the main reasons for operating a church media center is that it is a specialized library; it in no way competes with school or public libraries. Where else can one go to find out the basic teachings of his church? To learn about the heritage of its past? To find all the up-to-date materials for help in deepening the spiritual life? For teaching and training helps for each organization of the church? To learn about the work on all Southern Baptist mission fields? Surely not to the public library where all faiths and cults are represented and none in detail. Neither to an ordinary bookstore that caters to the whole public interest in religious media.

A church with a media center that has a carefully chosen and well-balanced collection of books and other media, can offer theology and inspiration, challenge and comfort, study materials and pure enjoyment to its people. And this is a goal well within the reach and means of any church, large or small. Too often we think that only the large church can do this, but BAMCO can help any church in the Brunswick Association to make a media center available to its members. Just call on us and let us prove it!

CHURCH MUSIC

This past year has seen the organization and the performance of an associational choir. As your music director, I have been extremely gratified and most proud of those who have joined in this new endeavor for Christ.

We plan to continue practicing and performing in various programs throughout the associational year. Keep your eyes and ears open for the dates.

God bless you all, and may 1978-1979 be an even greater success for the Savior, as we serve him thru song.

William B. Greer, Director

CHURCH TRAINING

At Church Training "M" Night in November 1977 we had 229 present including eleven pastors, seven Church Training Directors. One Associational Church Training Officer and four churches were represented that did not have Church Training Program.

The offering taken was $54.42. Supply Baptist Church was awarded both banners--for largest percentage of enrolment present and largest number present.

A Training Course on Developing Your Church Training Program was held at Mount Pisgah Baptist Church in the spring of 1978.

"M" Night this year will be November 27 at First Baptist Church in Shallotte.

I would like to urge churches without Church Training Program start one.

Charles Whitby,
Associational Director

COOPERATIVE MINISTRIES

Between the years 1960 to 1978, there has been many changes in Cooperative Ministries work with the General Baptist. I was asked when going to Saint James Church in those early years, "What is a Vacation Bible School?" This year the members bought their own materials, new flags were proudly displayed, activity kits were on hand for each class and the teachers were prepared--That's progress.

I assisted with four schools this year: Saint James, Saint Johns, Saint Mary's and Bethlehem Churches.

However, the years have taken their toll and in July of this year I tendered my letter of resignation to Corbin Cooper, Director, Department of Cooperative Ministries With General Baptist. He stated in the answer to me, "It never occured to me that you would ever consider retiring, I just assumed that you can go forever." The spirit is willing, but the flesh is weak and tired. With regret, I have to step aside.

I hope that someone will take up the task and move ahead. My desire is that you continue to pray for the work not only in the state but throughout the convention as well, for, God has made of one blood all people.

Those of you that have strengthened me with your prayers and encouragement, I thank you. We covet your prayers in the future, may God bless you. My pray is that this year will be a better year in the work of the Lord than ever before.

Ref. Item 30, proceeding of the annual session of the Brunswick Baptist Association, "A letter from Corbin Cooper, Director, Department of Cooperative Ministries with General Baptist, was read and E. August 2, 1978

Department of Cooperative Ministries with General Baptist
Baptist State Convention of North Carolina
Corbin L. Cooper, Director

Mrs. Dewey Robbins
Route 1, Box 21
Winnabow, North Carolina 28479

Dear Mrs. Robbins:

It never occured to me that you would ever consider retiring. I just assumed that you would go on forever.

You have done a good work for many years. Your vision of Christian missions is shared by far too few Baptist in North Carolina. You discovered something years ago that some missionaries have yet to learn. God has blessed your efforts.

While you deserve a rest from specific responsibilities, I know your witnessing will not cease. It is my prayer that you will enjoy many happy hours with the memories of your work.

You and Brother Robbins will continue to be in our prayers. Thank you for your loyalty and dedication to Cooperative Ministries. We will communicate with Moderator Gause, but no one will ever quite replace you.

God bless you.

Sincerely yours,
Corbin Cooper

CREDENTIALS

Faith Baptist Church, Bolivia, North Carolina, was received under the watchcare of the association at the October 21, 1977, annual session, for a period of one year.

The church has made proper quarterly reports of cooperation and progress to the committee. Faith has met all the requirements of the associational constitution.

The Credentials Committee recommends that Faith Baptist Church be received into full fellowship of the Brunswick Baptist Association.

DIRECTOR OF MISSIONS

I come before you today for the 10th time to bring you a report from the associational office.

As I stand here it is with joy and pride, because of the tremendous growth that our association has experienced during the past year.

This year Calabash, FBC, lost the old building by fire and the new building was badly damaged.

But with the help of the Lord, friends, and the community, the congregation is back in their newly repaired building.

The following churches have moved into beautiful new sanctuaries: Ocean View, Jennie's Branch, Oak Grove, Shell Point. Shallotee FBC has occupied a nice new Educational Building, Old Shallotte built a nice new Fellowship Building, Gospel Center has a new sancutary well under way, Longwood has a nice new building almost completed in a new location. Southport renovated their basement and added a new steeple and a new organ. Antioch completed a nice new Fellowship Building and erected walls in the old fellowship building for new class rooms. Mount Pisagh added aluminum siding to the overhang of the church building and painted the outside.

Others are planning new buildings in the near future. Mount Olive has purchased land for a buidling in a new location. Faith will be planning a building in the future.

We thank God for your accomplishments and rejoice with you - May God add his blessings to what you have done.

Pastors coming to us during the year as follows:

Charles F. Trull, to Woodburn FBC; Avery Lumsden, to Boiling Spring Lakes FBC; Leo Cannon, to Sabbath Home, Hilton Willetts, to Faith; Graylon Jordon, to Boone's Neck; Martin L. Benton, to Farmer's Chapel; L. D. Smith, to Lebanon; Robert Clay Spivey, to Southport as Minister of Music and Education; William F. Deitz to Bolivia as interim pastor.

Church without pastors are as follows: Bolivia, Friendship, Gospel Center, Prospect. and Supply.

As for the work of your director of missions, I must say that this 10th year has been the most demanding of all the years.

We have had many difficulties to surmont, financially, spiritually, and other wise. Many of the churches have had problems, our associational financies hit a all time low. This is the first time in 10 years that we have had financial difficulty.

We express our deep appreciation to every church, for the way that you responded to the associational need.

With all that God has blessed us with, I urge each church to use their God given blessings and new buildings as a home base, to worship, teach, train, and reach out to the lost multitude in our communities throughout the Brunswick Baptist Association.

You Director of Missions experienced a demanding year in every respect. I taught the January Bible Study in four churches, plus led conferences in Sunday School work, help plan and attended all associational meetings. Attended a week of study at Ridgecrest, a week at Wingate College, a week at Caraway and a week at the Southern Baptist Convention. Attended a number of one and three day conferences. Preached and/or visited every Sunday during the year.

Served as chairman of the Hospital Chaplaincy program and help draw up a schedule and will assist in setting up a card file in the hospital. Gave a quarterly report at the Associational Executive Committee meetings. Made a monthly report to the Chairman of our Missions Committee and sent a copy to the Missions Dept. in Raleigh.

Met with all committees during the year, Budget and Finance, Nominating Committee, Committee on Committees, Place and Preacher Committee (Program Committee, Constitution Committee, Credentials Committee, and Ordaining Council - Graylon Jordon was questioned by the council and ordained at Mount Pisgah on August 6, 1978.

Met with Calendar Committee and assisted in planning associational activities for the year. Counseled with more than 200 people.

These committees begin meeting in June and continue well into September. What a wonderful relief when all committees have met and all the typing and mimeographing is finished and time for the annual meeting arrives.

I have tried to share just a few of the things that we are engaged in during the year.

We try each year to plan a variety of programs that we think will be helpful to each church. May God Bless you in the coming year and please call upon us whenever we may be of help to you as an individual or your church.

Respectfully Submitted,
A. R. Waisner, Dir. of Missions

EVANGELISM

I want to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make geniune commintments to Christ and to guide them in their spiritual development.

"The Evangelistic Church on Bold Missions," was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium , Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer evangelism teams preached in one week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly, Caswell. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship.

On September 26, 1978, the Brunswick Baptist Association held its first Evangelism Conference in several years at Mill Creek Baptist Church. About twenty individuals attended. We all enjoyed good preaching, singing and testimonies. The conference theme was, "Let the Church Reach Out for Christ."

Respectfully submitted,
George Jeffreys, Jr.,
Chairman

GENERAL BOARD

The General Board of the North Carolina Baptist State Convention presently consist of 110 members, all elected by the Convention. Each board member serves a four year term, unless he or she is completing an un-expired term.

The General Board meets three times each year, and more often if necessary to transact Convention business.

The Board is divided in ten (10) committees: **Missions, Assemblies, Communications, Church Programs, Council on Christian Higher Education, Council on Christian Social Services, Evangelism, Fruitland, Stewardship, Youth and Campus Ministries.** The chairman of these ten committees; along with the President and First and Second Vice-President of the Convention make up the **voting members** of the **Executive Committee** of the General Board. The Executive Committee has a number of non-voting ex-officio members. This Committee meets almost montlhly, with the exception of one or two months.

The Committee is called into session frequently to consider important convention matters. All actions of the Executive Committee are sent to all members of the General Board in the form of "Minutes of Executive Committee." These matters are discussed and voted upon by the General Board at their next meeting. The various committees meet at times between meeting of General Board to plan the work and personnel of the various departments.

Some re-organization has been done during 1978 in the General Board, giving more duties to the Committees. Under the present system the business of the convention seems to be handled very smoothly and efficiently.

All actions taken by the Executive Committee and General Board is thoroughly covered in the Biblical Recorder, the official Baptist State paper which should go into every Baptist home through the Church Budget. The more informed Baptist are, the less likely we are to be critical.

The first meeting of the Board this year was in January 1978 in Raleigh.

The second meeting was the last of May in Murfreesboro at Chowan College.

The last meeting was in September at Adult Conference Center, Camp Caraway.

The next meeting will be in January 1979 in Raleigh.

Please pray for the General Board members. A great responsibility rest upon these one hundred-plus persons who act for the Convention between Annual Sessions.

Respectfully Submitted,
Henry L. Register,
General Board Member

HISTORIAN

Once I was asked, "What is the value of records and keeping a history?" I stopped and thought for a moment. Our Bible is a record and is a history of God's dealing with his people. The message of salvation and of a Savior is preserved for us in this record! We should be grateful that this record and history has been preserved for us. The value is too great to try to put into words.

The Brunswick Baptist Association has a history and is making history each day. Each church has a history and is making history each day. I am prone to wonder if we are really concerned about our history and about descendants who will one day look back and want to know the background of our churches, where it came from, who were its members and leaders. If there is a written history, all the inquirer will need to do to have his questions answered is to read that history. If there is no history, then he will have no answers.

I have received historical information from only one church this past year for this report. The information I have has been gleaned from the Associational Newsletter that is sent out monthly by our Associational Director of Missions, plus the one response I received.

We have been encouraged by our Associational Director to study the Bible and to be prepared to share with others the love of Jesus. He noted in one letter, "We cannot share with someone else that which we do not have." January Bible Study is strongly encouraged by the Associational Director. This is a means of learning more of God's Word. There is no way we can have power without knowledge. We cannot know the "Word " of God without some knowledge of the written word.

We are encouraged in mission efforts and reminded of the Christian's Great Commission to go and share the gospel with every person in the world by the year 2000 A. D. We are challenged to pray and make sacrificial offerings for the cause of Christ.

For five months our Associational Director has furnished us with an article regarding the office of deacon. Of all the qualifications of a deacon the one "to be serious" is extremely important.

We noted from the Newsletter that there have been many new buildings - new sanctuaries, educational buildings, and parsonages. There has also been some remodeling of existing structures. We rejoice with these folk in their new or remodeled buildings.

The only response to the request for historical information came from the First Baptist Church of Shallotte. The writer advised that four new classrooms had been completed. The pastor's study and the fellowship hall are to be completed in this new church year. The writer also sent a brief statement of the church's history, the church now being 139 year old. For many years this church, formerly knwon as Chapel Hill, has been a guiding spiritual light in this association.

A tragedy occured in the association when a fire hit the Calabash FBC and did considerable damage to the building.

Respectfully submitted,
William F. Deitz,
Associational Historian

MISSIONS

Someone has well said, "The glory of the local body of believers (church) is that it is not local." The church does not exist for itself, but rather for the world. The church must be broad in vision, rich in loving concern for the world, and ready to embrace many ministries, reaching to many fronts. These many fronts include associational, state, home and world missions.

Associational missions is the home base for our world-wide and our present Bold Missions Program.

You Missions Committee is giving thought and careful consideration to all missions programs, especially those that will directly involve our churches. Study is still in progress on the possibility of establishing a new work in the Olde Towne area along highway 133, South of Wilmington.

The financial, moral and spiritual support of every church in the Brunswick Baptist Association is respectfully requested if we are to move forward in gaining victories for the cause of Christ. The association cannot, and I repeat, cannot be any greater than its supporting churches. Thus, missions, the heart beat of our work, can only thrive to the extent of support it receives from the churches.

We rejoice in the record of the past, but the prospect for the future is "As bright as the promises of God." The Great Commission is ours!

Respectfully submitted,
A. G. Ferris, Chairman

NORTH CAROLINA BAPTIST FOUNDATION, INC.

There is a growing concern among the Baptists of North Carolina that, historically speaking, we have failed to exercise good stewardship in the disposition of our accumulated resources at the time of our death. An across-the-state survey of recorded wills made by known Baptists revealed that only on the rarest of occasions have our people left devises or bequests to our denomination or any of its institutions or causes. It would thus appear that somewhere along the way our sense of missions has been lost, together with a continuing concern for our fellowman.

It is time that the Baptist people make a self study of their general attitude toward stewardship and what the word or name means to each of us. By that I mean, are we to say that it is appropriate and indeed scriptural for us to at least tithe our income as long as we shall live, and then assume that that which we have accumulated, after having made our tithe, belongs to us individually, without regard for mankind, that is to say, God's creation, and their resulting needs; that we are then free to ignore others and leave that which we have accumulated, be it great or small, to our wife, our sons, our daughters, grandchildren or special family connections to the exclusion of all others. I happen to be one who does not believe that the good steward "buys" his or her unrestricted freedom by the mere making of his or her tithe. It is my firm conviction that our Savior would admonish us on a continuing basis, "Inasmuch as ye have done it unto one of the least of these my brethern, ye have done it unto me." (Matthew 25:40b).

Very few organizations, more particulary denominations, have ever been completely wrong in their basis objectives. Some good can be found in almost every organization, if not in fact all of them, more particularly the religious organizations. Specially, I would speak of the Roman Catholic Church for this illustration. Neither of us would say that we support the Roman Catholic approach on Christianity, but we do have to admire the attitude of that church toward stewardship. It is an accepted dogma that all good Roman Catholics should devise or bequeath at least one-tenth of their estate to the Church. This dogma has been so completely accepted and recognized by the Church that today the Roman Catholic Church has wealth beyond comprehension of the ordinary man. If the Baptists of North Carolina would generally accept it as good "dogma" for us and strive to do the same thing, our denomination would soon be so strong financially that our influence and outreach would be the envy of all other Christian denominations. Admitted we are not concerned about reputation of greatness as such, but we can justify doing less than our best for our Master?

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

North Carolina Baptists have the following Baptist Homes for the Aging:

1. Resthaven, located in Winston-Salem, with space for 16 residents.
2. The Hayes Home and the Nursing Care Unit, in Winston-Salem with space for 46 residents, and 79 patients. The Nursing Care Unit serves all five of our Homes, and will serve the Western North Carolina Baptist Home. Patients are transferred to this nursing facility when long-term nursing care is needed, either for Intermediate Nursing Care, or Skilled Nursing Care. There is also a duplex apartment complex at the site of the Haves Home with a space for 120 people.
3. The Albemarle Home, in Albemarle with space for 30 residents.
4. The Hamilton Homes, in Hamilton, with space for 28 residents.
5. The Yanceyville Home, in Yanceyville, with space for 31 residents.
6. The Western North Carolina Baptist Home, in Asheville, with space for 50 residents, now under construction.

This means that there will be accommodations for 300 people in all of our six Baptist Homes, the apartment complex, and the Nursing Care Unit, when the Western North Carolina Baptist Home, in Asheville is completed.

Of interest in our Homes for the Aging in projected growth and service is a new proposed wing to the Hayes Home which will house 51 additional patients and residents and bring our total capacity to 351 persons.

The growing edge of our national and state population is in the area of the aging, those 65 years of age and above. We must continue to prepare for them and move out, by the Lord's help, to undertake more for them in our churches, our communities, and in our Baptist Homes for Aging.

Will you join us in our prayers and in our plans for those aging persons who look to us for help?

NORTH CAROLINA BAPTIST HOSPITAL, INC.

Baptist Hospital continues to find ways of enlarging and improving care of patients.

During the past year, the Department of Family Medicine moved into new quarters. Also, the teaching program for resident physicans in Family Medicine will increase to 36 positions by 1980. Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care.

A closed-circuit television system will soon be carrying services from the hosptial chapel, other devotional programs and educational programs to patient rooms. This system will also be used in staff educational programs. This equipment was purchased with funds from the estate of Miss Olivia Hall, who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make significant contribution to patient care as well in clinical pastoral education, counseling and enrichment events.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hosptial building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

In the Brunswick Baptist Association, 29 churches made a contribution. Total giving was up from last year.

RELIGIOUS LITERATURE

Think about it a minute. What if there were not a BIBLICAL RECORDER? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

One of the most important jobs of the BIBLICAL RECORDER is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in more cooperative and generous manner.

More than 1,100 churches provide their families with the BIBLICAL RECORDER through the church budget as a cost of only 6 cents a week. Everyone benefits when the RECORDER goes into every home.

With the dripping wet news media in North Carolina, our Baptist people must depend on the RECORDER for information about such matters as liquor by the drink. This is only one reason for every church to have a good RECORDER club or put it in the budget.

Within the Brunswick Baptist Association, only eight churches have the BIBLICAL RECORDER in the budget.

RESOLUTIONS

We, the Resolutions Committee, recommend that:

Where as; God's presence and blessing have been realized in this 80th annual session of the Brunswick Baptist Association, be it resolved that we give our heartfelt gratitude and pray for His guidance as we seek to implement our program of work for the coming year.

Where as; We have enjoyed the hospitality of the Supply and Beulah Baptist Churches, we express our thanks to them and to all who had a part in making this a happy and joyful occasion.

Where as; The program for this session have been challenging and inspirational, be it resolved that we express our thanks to:

1. The Program Committee for their work.
2. Brother Truette Rogers and Brother James D. Craig for their fine service as moderator of our association.
3. All our associational officers and committee members for their splendid work.
4. Brother Arthur R. Waisner, Director of Missions, for his wonderful service.
5. Miss Ruth Galloway, Associational Treasurer, who has performed an outstanding job.
6. Brother John W. Butler, Associational Clerk, for his job well done.
7. Dr. Thomas Corts and Rev. Vance Tyson for their heart stirring and uplifting messages.

Whereas; We further resolve that the 80th session of the Brunswick Baptist Association is opposed to the low morals and the profanity shown on many television programs, also the pornography, drugs and alcohol available in our community as it continues to poison the minds and bodies of our youth, and that we commend the Christian Action League for their fine work of opposition in these areas and that we continue to pledge it our financial support and our prayers.

STEWARDSHIP

I. COOPERATIVE PROGRAM

This is one of the most exciting times in all history to be alive--especially if you are a Christian and a Southern Baptist. Our emphasis on Bold Mission Thrust calls for Southern Baptist to perceive and accept our mission in enabling every person in the world to hear and respond to the gospel of Christ by the year 2000 A.D.

Commitment to Bold Mission Thrust calls for specific action on our parts as individuals and churches. Let every church in our association demonstrate its commitment to the world mission task through serving and giving.

During the past year the churches of our association gave $58,264 through the Cooperative Program. Our goal was $35,000. Last year the churches gave $18,013 for associational missions. Our goal was $25,000.

Some goals for the coming year are:

1. Every church in the association giving something through the Cooperative Program for Bold Mission Thrust.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. Every church in the association increasing the percentage of the total budget income for the support of associational missions.

II. STEWARDSHIP DEVELOPMENT

It is the goal of the Stewardship Commission of the Southern Baptist Convention to provide leadership and materials for the development of individual Christian stewards. Increased mission activity calls for faithful stewardship and growth in Christian giving.

The Bible provides insights for the development of Christian stewards. The local church will want to provide biblically based stewardship development activities for its members.

WE RECOMMEND

1. That every church plan a unified budget and conduct a stewardship emphasis this year.
2. That every church encourage its members to consider seriously their need to give to God.
3. That every church receive as a biblical mandate the responsibility of teaching its members the Christian doctrine of financial stewardship.
4. That every church elect and train a stewardship committee.
5. That the Brunswick Baptist Association provide programs and resources to help churches develop Christian stewards.

III. ENDOWMENTS AND CAPITAL GIVING PROMOTION

A. Wills, Trusts, and Estate Planning

YOUR BAPTIST FOUNDATION is seeking to educate the Baptist constituency to their eternal stewardship responsibilities.

B. CHURCH FUND RAISING

As Baptist churches continue to face building needs, the securing of funds is becoming more and more a serious problem. The Stewardship Commission offers assistance to the churches in two ways.

1. Building for Today's Challenge is a "do-it-yourself" program.
2. Together We Build is a consultant-led program with a tailor-made emphasis designed for each church.

SUNDAY SCHOOL

The Sunday School Board set a record receipt total of $75 million last year but was hampered somewhat by skyrocking energy and postal costs and had bad winter weather.

More than 7,000 churches and 224 associations conducted ACTION enrollment campaigns and 567 new Sunday Schools were started in efforts to reach more persons for Bible study.

Family life conferences which reached 33,000 persons and HOME LIFE, with an average monthly circulation of 838,000 were the primary resources for supporting and enriching family life.

Glorieta and Ridgecrest Baptist Conference Centers registered 85,384 guests who stayed a total of 382,178 days.

Baptist Book Stores opened three regional mail order centers in Nashville, St. Louis and Arlington, Texas. Two more will be opened in 1978 in Memphis and Atlanta.

Broadman Press introducted 633 new products during the year.

Reorganization was completed of the Church Services and Materials Division into three divisions--Bible Teaching, Christian Development and Church and Staff Support.

In the program of Sunday School development, increased visibility was given to associational work and ministry with ethnic groups and to blind and deaf persons.

The Sunday School is the teaching and reaching arm of the churches. Therefore, it has four significant task to be performed:

1. Teach the Bible Revelation.
2. Reach persons for Christ and then draw them into church membership.
3. Perform the functions of the church within its constituency--
   A. Worship. B. Witness. C. Educate. D. Minister. E. Apply.
4. Provide and interpret information concerning the work of the local church and the denomination.

The associational Sunday School workers along with the Director of Missions held a Teaching-Learning Workshop at Lebanon Baptist Church during the spring. Later we participated in a Key Leadership Conference held for associational leaders. Key Leadership Conferences for the church Sunday School workers were held at Sabbath Home, July 24, and Town Creek Baptist Churches on July 31, 1978.

VACATION BIBLE SCHOOL

Jesus said, "Suffer little children to come after me." This, Vacation Bible schools does year after year. I am happy that God has done wonderful things this year.

A grand total of thirty-three churches reported a school, with a total enrollment of 2,308 and thirty-six souls won to the Lord, Jesus Christ. Also, there were twenty-four rededications for which we thank the Lord. The offering for missions totaled $1,137.00 dollars.

There were no Mission or Backyard Bible Clubs reported for the year. Reported were nineteen Merit schools, three Advanced schools and one Distinguished school.

Vacation Bible Schools held by Mrs. Elsie Robbins, Cooperative Ministries with the General Baptist, were:

1. Saint James Baptist Church - Enrollment 28, with an offering of $16.48.
2. Saint Mary's Baptist Church - Enrollment 28, with an offering of $6.16.
3. Saint Johns Baptist Church - Enrollment 58, with an offering of $26.33.
4. Bethehem Baptist Church - Enrollment 38, with an offering of $11.13.

We are sorry to inform you that Mrs. Robbins retired in July, 1978. Mrs. Robbins, you will be missed by many. May God continue to bless you is our prayer.

We always give thanks to God, who giveth the victory through our Lord and Saviour, Jesus Christ.

David C. Adams, Director

YOUTH WORK

Last summer I was asked to provide a series of youth meetings throughout Brunswick County. The purpose was two-fold: 1. Fellowship among Christian young people, and 2. Spiritual inspiration aimed at our Baptist youth. Monthly meetings have been conducted this year with the gracious help and hosting from many of our Churches.

Program were varied and included The Harbour Lights Singers, The Son Company, a puppet group from Campbell College, and several discussions on topics of importance to youth led by local personalities. The Associational Spring Youth Retreat featured Rev. Fenton Moorehead as speaker. The meetings have been conducted in the four corners of the Association in an attempt to gather together youth from as many churches as possible.

The problem that has developed is that though the meetings are held, very few churches have participated on a regular basis. This makes planning very difficult.

This year a new direction is being formulated. Once a quarter meetings will replace the monthly ones. An Associational Youth Council is being gathered to plan the programs. The meetings and places are listed in the Calendar of Activities in order to provide adequate advance information for the churches.

In all honesty, this may be the last year of a concerted effort for the youth. If the young people themselves are not in tune with this type of ministry then there is no reason to burden the association with the expense and the churches with the preparation. Perhaps next year at this time, a much brighter picture of involvement may be painted.

John W. Elder, Jr., Director

BEULAH BAPTIST CHURCH - 1837

Beulah Missionary Baptist Church was constituted in 1837, at Thomasboro, Brunswick County. A member of the Cape Fear Baptist Association, 1838-76, 1895-98; joined the Waccamaw Baptist Association, 1877-85; member of Old Brunswick Baptist Association, 1886-94; Cape Fear-Columbus Baptist Association, 1899; and present day Brunswick Baptist Association, 1899 - .

The first building, 1837-1907, a frame structure (log building?). A new frame structure served 1907-1925. The third frame building was constructed in 1925, three miles East, at the present site on property donated by Manley and Mrs. Beulah Bennett. This wooden church building had a bell, belfy, plain glass windows, and a seating capacity of 150. In 1975, this building was moved and a new brick structure was constructed. On August 8, 1976, we held the first worship service in this beautiful new Sanctuary.

Beulah Baptist Church has reported a Sunday School since 1897. Church membership was in 1839, 46; in 1899, 55; in 1910, 101; in 1938, 49; in 1960, 61; and in 1978, 118. Total receipts in 1978, $11,483 and missions expendures totaled $1,095.

From 1962 until September of 1964, the church had sponsored the Calabash Baptist Mission. In 1967, the Classroom-Fellowship Building was erected.

Although many Christian people have been instrumental in directing the church's progress, their efforts can never be evaluated. We do recognize that God, through the Holy Spirit, has blessed us all these years. We continue to pray that God's Blessings will pour out on Beulah Baptist Church and that it may be evermore a lighthouse proclaiming Jesus Christ to the community.

Four men have been ordained into the Gospel Ministry: Luther Bennett, Jennis McLamb, C. Odell Bennett, and Foyd Bennett.

BOONE'S NECK BAPTIST CHURCH - 1945

Boone's Neck Baptist Church was organized in June of 1945, with A. E. Fulmer as pastor. The church site was donated by Mr. and Mrs. Lawrence Robinson. In August of 1947, plans were made to add classrooms to the one room wooden sanctuary. Then, in January of 1953, the church was remodeled. A new roof was added in April of 1968 and the church was bricked and the inside panelled in 1969.

WOMEN'S MISSIONARY UNION REPORT

Let it go down in the Women's Missionary Union history of the Brunswick Baptist Association that during 1978-79 the emphasis was: Baptist Women Year in the Churches and to Teach Missions, to Live, to Give: that the watchword was Acts 1:8; and that the Hymn was, "O Zion Haste."

Our involvement in the "Bold Missions Thrust" convinces us that its success depends on trained and committed leadership at the grass roots.

Therefore, we spend much time in leadership training, including the Annual Leadership Workshop, Mission Study Institute, Prayer Retreat, and Mission Study Classes for Home and Foreign Books. Our Missions Banquet at Caswell Assembly was inspirational on that rainy, foggy night.

At the annual meeting in April, Charles Allen was our missionary speaker. LeAnn Smith and Amanda Graham were recognized for their messages and also as recipients of Acteen Scholarships for college.

Baptist Women organized a new group at New Life Baptist Church. The Baptist Young Women held a fellowship meeting at Friendship Baptist Church.

The Acteens held a Praise Sing at Town Creek Baptist Church and a banquet at the CauseWay Restaurant, Ocean Isle Beach. The National

Acteens Convention, Kansas City, Mo., was attended by five members. The North Carolina delegation had one of our Acteens to serve as a page.

GA's led in forming new organizations, Jennie's Branch and Peace Memorial Baptist Churches. They also enjoyed a Day Camp at Mill Creek Baptist Church and a Rally held at Shallotte FBC.

Mission Friends had an Egg Hunt at Soldier Bay Baptist Church on Easter Monday. Their leadrs participated in a Missions Study Institute and Annual Leadership Workshop.

The Missions Action Director led in a Direct Evangelism and Literacy Workshop in May. An Associational Literacy Organization was formed as an outgrowth of this workshop.

On paper the statistics fail to tell the full story. But, as women with a mission, our desire is that all the world know the love of Jesus Christ and to become a part of the committed to share the Good News. Therefore, we are planting seed, or cultivating, or reaping as the Lord so directs. We go in His Name and for His Glory.

Mrs. James D. Craig, Director

ANNUITY BOARD, SBC

The year 1979 was a "banner year" and a year of challenge for the Annuity Board in servicing churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:

1. A "13th Check" equalling an additional full month's benefit and amounting to $1,036,914 was mailed to almost 10,000 annuitants in board retirement programs.
2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through churches, agency and seminarian programs topped $13 million.
3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal for $25 million by 1988 was set.
4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.
5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.
6. Premium income reached $51,797,996 (includes relief). Total assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

In North Carolina, as of March 31, 1979, 2,953 staff members of 2,290 churches associations are participating in the Southern Baptist Retirement Program.

In the Brunswick Baptist Association, 21 churches and 23 staff members are participating in the retirement program.

AUDITING COMMITTEE

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 22, 1979, and examined the financial records for the fiscal year 1978 - 1979.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance show on the bank statements and on the Treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We are indeed appreciative and grateful for the excellent job Miss Galloway is doing.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA INC.

Children in the care of Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

North Carolina families have ready access to a variety of services offered by the Homes. A Family Service Center has been created to serve a ten county area surrounding Pembroke with administrative offices at Odum Home. A call to that office should put families in touch with information and help when they need counseling, emergency care, maternity home services or placement of children for longer terms of care. Staff from this office also is able to work with area pastors and denominational leaders to plan programs in family education and to offer assistance in day care and early education in churches and other family oriented interests.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optomistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with those concerned people.

I personally thank every church in the Brunswick Baptist Association for the loyal support and prayers on the behalf of our Baptist Children's Homes. In the past our Thanksgiving Offering was given directly to the Homes. However, Baptist are now supporting the Homes through the State Mission Offering. On the basis of Christian principal of sharing, please, let me urge each one to give a worthy offering to support this beautiful and needy part of our work.

Respectfully submitted,
Mrs. Catherine W. Skipper,
Representative

BROTHERHOOD

Praise the Lord for the slow but sure progress that the Brotherhood work in our association is showing.

We have been privilege to meet with three of our churches this year for the purpose of forming a Baptist Mens Group. Henry E. Jenkins, pastor of Town Creek Baptist Church, and his men. Tommy E. Inman, pastor of Shell Point Baptist Church; and J. Bryan Bosher, Interim pastor of Goshen Baptist and their men. This has given us the opportunity of sharing with them the scope of mens work in our churches.

We would like to express our thanks to Jess Bentley and the fine folks at Jennie's Branch Baptist Church for inviting us there for World Mission Prayer Breakfast in April.

On May 14, 15, and 16, we had the joy of going back to Ridgecrest for an up-date on the Bold Mission Thrust.

In July, at the Key Leadership Conferences, we had five of the churches represented with a total of seven of our men present.

Let us challenge the churches of our association to pray that God will lead each church to have a strong Brotherhood work in progress.

In 1979, only 21 churches reported any kind of Brotherhod work. So, in 1980, let us have all 39 of our churches reporting Brotherhood work.

May God burden your heart to pray that this goal will be accomplished.

Respectfully submitted,
J. Tyler Potter, Representative

CHRISTIAN HIGHER EDUCATION

North Carolina Baptist have Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate Colleges, plus Wake Forest University. These are seven of fifty three colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention. Of all Baptist College enrollments, 15% are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell law school graduated its first class. In the main, it was a good year for Baptist Colleges.

Most North Carolina Baptists are aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. Proposed changes in the relationship between Wake Forest University and the Baptist State Convention have received the endorsement of the Council on Christian Higher Education after several hours of discussion on the issue. Special Committees of the Convention and Wake Forest trustees agreed Aug. 7th on a plan.

A special thanks to all for supporting Christian Colleges. Our churches are asked to pray for all of our Baptist work, including the colleges and looking toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian Higher Education for almost 150 years.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Council on Christian Life and Public Affairs is made up of 20 persons selected by the convention. Eight come from the General Board, while the remaining 12 are elected at-large. These persons give overall leadership to the council's staff.

There have been two changes in the staff. W. Douglas Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year, Ted W. Williams was named the Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the council has been involved in marriage enrichment retreats and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than 700 North Carolina Baptist participated in the newly-formed legislative Information Network. Members of the Network received a guidebook containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult co-ordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hungry Day in August. Many churches have participated, through special services, offering, study groups and other means, in helping hungry people around the world. Many more need to become active in feeding some of Jesus' brothers and sisters in his name.

Applying the radical teachings of our Lord to our day-by-day lives is not easy. Jesus said that in order for his followers to come after him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptists to live life as Christ would have us to live it.

CHRISTIAN LITERATURE

In its 146th year of serving North Carolina Baptists, the **Recorder**, like old man river, keeps rolling along. The **Recorder** faced the same problems as everyone did in the past year -- price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 per cent a year.

Paper and printing also have gone up, but despite these increases, the **Recorder** still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the **Recorder** can still go into every home in a church for only 7½¢ a week.

This has been a newsworthy year and the **Recorder** has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the **Recorder** to strive for fairness and responsible coverage.

The Southern Baptist Convention in Houston was another important story this year and as always, the **Recorder** was there.

Even though the **Recorder** takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The **Recorder** believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

Within the Brunswick Baptist Association, only ten churches have the **BIBLICAL RECORDER** in the budget.

CHURCH MUSIC

The high point of our ministry this past year came at Ridgecrest and the subsequent local Key Leadership Conferences.

The fellowship and challenge of Ridgecrest was heart warming and inspiring. It was thrilling to learn of all the imaginative and meaningful ways in which our sister associations are magnifying the name of the Lord through music. In our own Brunswick Baptist Association Key Leadership Conferences, it was most gratifying to have the input of our own people. We hope to intitate some new music programs in the near future, incorporating the ideas of our own people and those of other associations.

We will meet in November of this year at Calvary Baptist Church to make plans and to move for God. We are limited only by our desire and vision, not by lack of resources or talent. May God direct and bless our efforts to glorify his name in music.

Respectfully submitted,
William B. Greer, Director

CHURCH TRAINING

At Church Training "M" Night held in November of 1978, there were 247 persons in attendance. The offering came to $25.38.

Soldier Bay Baptist Church was awarded the banner for the largest number present. Oak Grove Baptist Church was awarded the banner for having the greatest percentage of enrolment present.

Churches that do not have a Church Training Program are urged to start one.

COOPERATIVE MINISTRIES

The highlight of this year has been the work of the two new committees appointed by both state conventions. The planning committee for a joint statewide convention in 1981 and a steering committee for 1982 statewide evangelistic emphasis. These two committees are well into their planning stages and will make periodic report to both conventions.

YOUTH COORDINATOR APPOINTED -- Mr. Michael Darby was added to the staff in November, 1978, as youth director. The position is sponsored by both conventions.

SUMMER YOUTH PROGRAM -- Under the direction of the new youth director we appointed a total of 45 youth and adult summer workers.

CAMPUS MINISTRY -- Student awareness conferences were held on several campuses. Financial support was provided for ministries at Shaw University and North Carolina Central University.

STUDENT AID FUND -- A total of $8,870.00 was secured for scholarship assistance to 21 students attending 10 different schools.

VACATION BIBLE SCHOOL CLINICS -- Five regional clinics were held this year and 47 people enrolled representing General Baptist associations. The clinics are co-sponsored with the General Baptist Convention.

SEMINARY EXTENSION -- New certificiates were prepared to identify courses in General Baptist churches with the Shaw Divinity School. A total of 744 paid registrations were recorded for 31 courses taught in 11 centers. A total of 54 centers in both state conventions represents the largest statewide program of its kind in the United States.

RETIREMENT PROGRAM -- Four new members were added this year bringing the total to 26. The two conventions added $6,166.00 to membership dues as matching funds.

LITERATURE - The 5th edition of the General Baptist Diary-1979 was published as a joint venture with the General Baptist State Convention. Free literature on numerous subjects was provided to churches and individuals as requested.

This year of our Lord, 1979, has been a year of desire to be back out on the field that is white already to harvest. However, still there have been some rewarding experiences. Such things as the pastor who came to get help with scripture and a sermon topic for Passion Week, churches calling to tell me they were going to have their Vacation Bible School on their own. Also, we had a visit from Rev. Flowers to express his appreciation for the years of service with him and the churches of the Ocean View Baptist Association.

I assisted in the Vacation Bible School held at Bethlehem Baptist Church were I started the work some 25 years ago.

I wish to thank each of you for your prayer support throughout the years and may God raise up a worker to take the vacant place in our area. I only broke the ground and there is still much work for a dedicated person in this field.

DIRECTOR OF MISSIONS

WHY ASSOCIATIONS?

The district association is the oldest and most important unit of Baptist denominational life outside the local church. In his introduction to a mission program for a Baptist association, Dr. A. Hamilton Reed says: No other unit of denominational life contributes so largely as a unifying influence among Baptists and services so effectively in the promotion of the Baptists cause at home and around the world. In his book, The Morning Hour of American Baptist Missions, Albert L. Vail, likewise attaches great significance to the district association. He declares: So it came to pass that in 107 years between the founding of the Philadelphia Association and the origin of the General Convention, the association became the general utility institution of American Baptists. Take out of the denominational life what went into it through this medium, and the whole world would be deplorably depleted in every way. Further evidence of the importance of the association is reflected in the contributions which associations have made to american life in general and to Baptists' life in particular.

Ten of these are worthy of mention. (1) They played a vital part in getting religious liberty; (2) They proved the feasibilility and practicabiltiy of the principle of democracy in church and denominational life; (3) They preserved and published the records of Baptists' activity and achievement; (4) They clarified doctrinal and discipinary confusion; (5) They defended with vigor Baptist leaders and principles; (6) They unified the Baptist people; (7) They brought outstanding denominational leaders into direct contact with local churches; (8) They pioneered in the establishment of Baptist schools and colleges; (9) They initated and promoted cooperation among Baptist churches for great missionary and benevolent endeavors, and (10) They laid the foundation for the modern organizations and activities of Southern Baptists.

It was not by accident that associations made these contributions. They did so because they took in account existing needs and set about to meet those needs. The meeting of needs wherever those needs were and whatever form of activity was involved in meeting those needs, became for the associations a program of work. In recent years the program of work of the district association has come to be called Associational Missions. Because associational missions is designed to meet needs, it involves personnel, administration, and activities. These of course, involves finance. The more complex and comprehensive a program becomes, the more costly it becomes. This fact often prompts the question, "Why Associational Missions?" In an attempt to answer that question the following ideas are suggested.

1. The practice of some of the churches in N. T. times provide a scriptural precedent for modern associational missions.

(1) A series of church councils was held in Jerusalem, the purpose of which was to council together concerning doctrinal position and missionary policy (Acts 11:1-8; 15:1-29; Gal. 2:1-10).

(2) Cooperative action was taken by a group of churches for benevolent and missionary purposes. The church at Antioch led in raising of a fund for the relief of the needy Christians in Judea (Acts 11:27-30).

(3) To advance the cause of Christ and unit Jews and Gentiles in a bond of Christian fellowship, a group of Gentile churches raised a sum of money for the relief of aged and needy Jews in Jerusalem (I Cor. 16:1-4; II Cor. 9:1-2).

2. The practices of some of the earliest associations for which records are available provide a valid philosophy of associational missions; namely the association exists for the benefit of the churches.

(1) In 1644 there was published in London a document entitled, "Confession of the Seven Churches." The forty-seventh article of the confession states: Although the particular congregations be district and several bodies, everyone as a compact and knit city within itself; yet are they all to walk by one rule of truth so also they, (by all means convenient), are to have counsel and help one of another, if necessity requires it, as members of one body in the common faith, under Christ as their head.

(2) In 1650, three churches in Wales met at one of the churches to consult concerning such business as was then by God's assistance determined and expressed.

(3) Messengers from approximately 100 churches met in London in 1689 and formed the London Assembly. This body outlined a program of work which specifically included evangelism, ministerial education, and aid to needy churches.

(4) The two earliest associations in America, the Philadelphia Association (1707) and the Charleston Association (1751), reflected their concern for the welfare of the constituted churches in several ways. For example, they carefully guarded the independency and autonomy of the churches, and sent to them annual circular letters which contained encouragement and exhortations.

3. The philosophy of associational missions, the association exists for the benefit of the churches, is consistant with a fundamental missionary principle suggested by Isaiah. He says, lengthen thy cords, and strengthen the stakes (Isaiah 54:2).

(1) The work of the association is to contribute vitally to the spiritual wellbeing and vitality of its constituent churches.

(2) The associational program is to lead and help the churches enlist every individual within the territorial confines of the association for whom

Committee, composed of both white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C. W. Ward of Raleigh. The committee requests prayer support of the churches for this effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at Cumberland County Memorial Auditorium, Fayetteville, during February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Pastors and lay persons participated in an important seminar on GROWING AN EVANGELISTIC CHURCH during March 26-29, at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the Tellset and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and Tell witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across the state.

Churches and associations are now involved in Bold Revival Planning Clinics, using the Revival Planbook for the Local Church, Counseling Guide, and the Follow-up Manual for New Christians. The Revival Handbook can help pastors and church leaders to plan for a more effective revival effort.

On July 23, 1979, at Elah Baptist Church, and on July 30, 1979, at Jennie's Branch Baptist Church, the Brunswick Baptist Associational Key Leadership Conference was held with about 12 persons attending the two conferences.

The churches of the Brunswick Baptist Association baptized 146 individuals in the 1979 associational church year.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

Leo Cannon, Chairman

GENERAL BOARD

The General Board of the Baptist State Convention convened three times during the past 12 months: January, in Raleigh; June, at Winston-Salem; and in September, at the beautiful Adult Conference at Camp Caraway - just out of Ashboro, North Carolina.

Although many items of important business were discussed, and taken care of, the dominant business at all three meetings centered around the preparation, planning and promotion of the Bold Mission Thrust and the continuing conflict and contention between the Baptist State Convention and Wake Forest University.

First, let's comment on the Bold Mission Thrust. Much change has taken those churches are responsible.

(3) The association also functions to lead all constituted churches to participle actively in the total program of Southern Baptists to carry out the Great Commission.

4. The position of the association geographically and organizationally makes it the most logical entity for helping the local churches better do what they exist to do. Let it be said in the light of the foregoing facts that associational missions for present day associations, regardless of cost in terms of human effort and material resources, is not optional but imperative.

We have experienced a very productive year in the Brunswick Baptist Association during the 1978-79 year. Longwood Baptist Church moved into and dedicated a new church plant in a new location: Boiling Spring Lakes FBC completed and occupied a nice new Educational Building; Town Creek Baptist Church installed a Baptistery and added additional Sunday School space and a Library; Mount Olive Baptist Church has a new church plant well underway across the road from the old church; Mill Creek Baptist Church has added a new addition to the front of their Sanctuary and paved a new parking area.

Also, Faith Baptist Church has the location of their new building cleared and will soon start construction of a new building; and Gospel Center Baptist Church will soon occupy their new Sanctuary. We want to commend all our churches for the way they are adding and expanding their facilities to meet our growing population needs.

New pastors coming to us this year are: Laury Evans, Oak Grove; Floyd Parker, Prospect; Larry Williamson, Friendship; Albert Roland Dauphinnais, Community Chapel; Floyd E. Wescott, Gospel Center; Lindsay F. Miller, III, Goshen; Charles R. Glisson, Temple; and Roy D. Cable, Antioch Baptist Churches. Serving as Interim: Clinton L. Turner, Supply, and William F. Deitz, Bolivia Baptist Churches.

Your Director of Missions has experienced a very busy year as usual, yet it has been a very rewarding experience. I could tell you how many times that I have preached, how many churches I have visited, how many studies I have taught, how many state meeting I have attended, how many pieces of mail went out from the office, how many miles that I have traveled, however, I shall not demand your attention for all my activities during the year.

One great concern of your Director of Missions during the year is the decline in church attendance. This trend is over all of North Carolina and we wonder why. God will never give us a better opportunity to serve Him than today. I urge you to place more importance upon church attendance. We are to be examples to the 2,280,000 million lost people in North Carolina.

Respectfully submitted, Arthur R. Waisner
Associational Director of Missions

EVANGELISM

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade place at the Baptist Building in Raleigh in "gearing-up" or "harnessing-up", as it has been called many times, in readyness for this big "push." New departments have been added to the organization; many new staff members and associates have been added under the leadership of Dr. Cecil A. Ray. This has all been done to promote the Bold Mission Thrust movement through seminars and various other meetings across the state. All staff members are available for any association or church to lead the Baptist people of North Carolina in an effort to meet the goals set by the convention to double the Cooperative Program giving; double the Associational Mission giving; double the number of baptisms in each church; double the Sunday School enrollment, all by 1982. These people are available to the local church for services upon request.

I will not try to report the long discussions, or the complete "compromise" that will be decided by the Baptist State Convention at its annual session in November of 1979. Suffice it to say that, at long last, a drastic change is to come about. Because Wake Forest University Trustees "Broke Faith" with the convention last December, by changing their constitution to exclude any authority by the convention, the General Board voted in January to withhold the Cooperative Program funds allocated in the 1979 budget for the university, and place it in escrow until the problem could be resolved. A special committee was appointed to work on this issue. The results of these commitees, both Baptist State Convention and Wake Forest Univeristy, was a "compromise." The convention could no longer select trustees for the university, but would have the responsibility of approving the ones selected by the Board of Trustees of Wake Forest University, retaining veto power. Twelve of the trustees (twelve out of thirty-six) could be out of state, and could be non-Baptist.

The university would no longer receive a share of Cooperative Program monies, unless the local church specifically designated an amount to go to Wake Forest University. The school would be free to seek financial aid through government or any other agency. This recommendation will be presented to the convention in November at the annual meeting. The decision of the convention will determine the final action on this matter.

The combined offerings for the convention to be taken as State Missions has a goal of $2,000,000.00.

The new proposed budget for 1980 is set at $17,500,000.00 for the Cooperative Program. This is an increase over 1979 of almost $2,000,000.00.

HISTORIAN

The history of the Brunswick Baptist Association has been completed, however, it has not been printed. We have advertised it, however, very little interest was shown in purchasing a copy. A committee was appointed to study the matter regarding the printing of the history. The committee decided that we return the money to the twenty two persons who had sent it in. Further study will be made by the committee to determine what action we should follow.

All of our yesterdays are history. Our descendents will want to know of their history, churches, pastors and people. We now have some information of all thirty-nine churches in our association and are happy with this addtional information.

I continue to urge each chruch to keep an up to date history of your church. Please share this information with your historian or with the Associational Director. Eventually there will be a copy of this history in the associational library.

MEDIA CENTER

The Media Center organization of the Brunswick Baptist Association has had an exciting year with ten individuals from four churches attending the state convention in Charlotte this past April.

In May, your Media Center Director attended the Key Leadership Conference held at Ridgecrest. After conducting our own associational Key Leadership Workshops, we have six additional churches asking to learn more about Media Center work. Our goal is to have all 39 churches with working centers.

Media Center is a ministry of the church and is a very vital and important part of church life.

BAMCO, which is the name of the Brunswick Baptist Association Media Center organization, has only four meetings a year. We hope that in the new year you will attend these meeting to learn more about Media Center work and how you can be of service to your church.

If you need any help please call - Mrs. Margaret J. Clemmons at 253-6849 or write to Route 1, Box 7, Bolivia.

MISSIONS

Missions continue to be the heart beat of the churches' for the world. This is implanted in the Christians heart and mind by the One who gave Himself in love, Jesus Christ. So great was this love that He issued a command to all who follow Him: "Go ye into all the world, and preach the gospel to every living creature" (Mark 16:15).

We must stand ready to meet the needs of mission ministries beginning in our local communities and spreading out into the areas of the home, association, state, and world.

Your Missions Committee respectfully requests the financial, moral and spiritual support for the cause of all missions outreach by the churches of the Brunswick Baptist Association, if we are to move forward in gaining victories for the cause of Christ.

Your Missions Committee will continue to explore every available avenue to make the future of missions in the association a spiritually profitable movement encased in the concern and love of Christ.

NORTH CAROLINA BAPTIST ASSEMBLY

The events of the 1979 have proved to be significant on the 30th anniversary of the North Carolina Baptist Assembly. During the last two years much time has been spend examining where we have been in the first three decades of the assembly operation. At present we find ourselves at a turning point in some aspects of programming and the assembly physical plant.

The program aspect of the assembly is beginning to stablize after a drastic change in the number of summer conference weeks. Most of this has been brought about by extending of school years limiting the number of summer program weeks. At the same time, we have found that spring and fall activities have grown tremendously. For the first time in the history of the assembly, spring and fall retreats outnumber summer conference guests in 1977. This trend has continued steadily in 1978 and 1979. The nature of these changes causes some of our physical plant to inadequately provide for winter retreats, primarily adult oriented. During 1979 much attention was given to the physical condition as to needed improvements which must be made in order to avoid severe maintenance problems in the future.

These two factors, changing program and deteriorating physical plant, lead to a comprehensive redevelopment study during the spring of 1979. Using the 1979 long range study as a base to work from, this plan accomplished two objectives. First, it provided for the efficient rearrangement of the facilities. This plan groups facilities in use zones. Four use zones have been established as follows:

1. Administrative support facilities.
2. Lodging space.
3. Classrooms.
4. Recreational areas.

As this plan attacks reorganization of the facilities, it also focuses on the renovation and restoration of the physical plant as it relates to the new master land use plan.

The master land use plan will be implemented over the next five to seven years. It is a three phase program whose first budgetary emphasis comes in 1980. The budget committee has made an appropriation to begin to implement Phase I of a comprehensive program. Phase I will provide for the complete reshaping of administrative and support facilities. Among the things slated for Phase I and completion by December 31, 1980 are an assembly reception center that will welcome guests in an environment that will depict the history of the transition of Fort Caswell, as an instrument of war, to a facility that works for the furtherment of Christ's kingdom. Second, there will be administrative offices, a warehouse and carpentry shop. a garage, a new boys and girls staff house, and a new first aid station equipped with an ambulance facility. Some of this work has begun during the latter part of 1979 after completion of the summer season. It has been made possible by the use of materials from buildings being dismantled in the renovation process.

Other things that have happened at the assembly during 1979 include a good financial year without a deficit. Also the completion of a new Caswell Beach Water System which will enable the Baptist State Convention to abandon the old system that dates back to the 1920's. This will ease our maintenance burden tremendously.

All in all the future is brighter than ever. All obstacles have been hurdled and the promise of a respaced and renovated pedestrian oriented campus is very exciting.

NORTH CAROLINA BAPTIST FOUNDATION

"Moreover it is required of stewards, that a man be found faithful"
1 Corinthians 4:2

Since 1 January 1979, the Foundation staff, with the assistance of the Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the State to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from their trained staff and their professional (accounting and legal) support employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and or institutions. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as taking advantage of the laws of our land in reducing taxation on resources - both on income and estates.

Personal conferences are encouraged and can be arranged through any of the pastors in the association or the Director of Missions.

NORTH CAROLINA BAPTIST HOSPITAL, INC.

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An antomatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully autmoated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counselling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hosptial has actively participted in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year - despite continuing inflation - is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building - "Old Main - has been torn down and a new six-story Focus Building is now rising on this side.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were $196,516, as compared to $388,122 in the preceeding fiscal year.

ORDAINING COUNCIL

The Ordaining Council met with the following individuals during the past associational year for the purpose of examining each man as a possible candidate for ordination into the Gospel Ministry:

Dick Westbrook, at the request of Calvary Bapt. Church, Shallotte, N.C.
Allen Gray, at the request of Sunset Harbor FBC.
Laury Evans, at the request of Oak Grove Baptist Church.
Charles Smith, at the request of Soldier Bay Bapt. Church, Ash, N.C.
Floyd E. Wescott, at the request of Faith Bapt. Church, Bolivia, N.C.

Upon satisfactory examination of these men in the doctrines of our faith, the council recommended that the churches proceed with their ordination into the Gospel Ministry. All were then ordained.

STEWARDSHIP

In 1977, at Sabbath Home Baptist Church, on the second day of the annual associational meeting we voted to establish for 1978, a Cooperative Program goal of $35,000 dollars and a $20,000 dollars goal for Associational Missions. Cooperative Program giving exceed this goal by $23,264 dollars, while Associational Missions was short by only $1,987 dollars. Then, at Supply Baptist Church, on the first day of the annual session last fall (1978), we voted to increase the goal for the Cooperative Program to $40,000 dollars and to leave the Associational Missions offering the same as last year. Through July of 1979, the churches had given the association $18,815 dollars. At the end of June through the Cooperative Program and by designated giving, the total was $38,883 dollars. It appears, therefore, that we will exceed both of our goals for this year.

For this the chruches are to be commended. There has been an increase in Cooperative Program giving over the same period a year ago in twenty-four of the churches. To Associational Missions, twenty-three of the churches have done likewise. This is progress we deeply appreciate. You are humbly encouraged to continue this good work because the association will need an increased amount during the coming year, (see proposed budget).

Each church is urged to appoint a Stewardship Committee and to send the name, address and telephone number of the chairman to the Director of Missions. This will provide a nucleus for reaching the churches with the message of the continued need for growth in Stewardship and for an adjustment inour lifestyles and values.

If the "Bold Missions Thrust" objective of giving every person in the world the opportunity to hear and to respond to the gospel of Jesus Christ by the year 2,000 A.D. is to be achieved, more Christian Stewards must be developed in our local congregations. May we be committed unto that goal.

Respectfully submitted.
Ira L. Chadwick, Chairman

SUNDAY SCHOOL

The Sunday School is the teaching and reaching arm of the churches. It also plays a significant role in the collection of money to provide materials and services for all phases of church work.

Sunday School development has been stressed throughout the year by the associational organization. However, no specific Sunday School training meetings were held in the association. Basically, this was because of the low scale participation in the previous year for these type sessions.

Even though we know that a great amount of work for the Lord is being accomplished through the Sunday School, hopefully the new year will bring renewed interest and even greater things can be accomplished for the Lord.

Respectfully submitted,
Alfred Willetts, Director

VACATION BIBLE SCHOOL

This has been a good year for Vacation Bible School within the association. Church schools were numerous and well conducted, with measureable results. At the time this report was prepared, 34 of our 39 churches had reported with an enrolment of 2,347.. It is well within the realm of possibility that we will exceed the 1978 enrolment when all reports are received. Three churches: Bethel Baptist Church, Boiling Spring Lakes FBC, and Soldier Bay Baptist Church reached Advanced Recognition on the Achievement Guide. A total of 30,333 pupil hours were invested in Vacation Bible Schools last year in this association of churches. A total of 430 individuals who do not attend Sunday School were discovered and involved.

Next year can be even better. A capable faculty will represent our association at the state Vacation Bible School Clinic, and will conduct clinics for our churches. Dates for these are: Early Bird Clinic for Pastors and Directors, February 26, Mount Olive Baptist Church; and Associational Clinics (Day Night Sessions) for all workers on March 27, 1980, Supply Baptist Church.

Suggested areas needing improvement are: Use of the Achievement Guide, early enlistment of workers, Mission Vacation Bible Schools, Backyard Bible Clubs, follow-up of prospects discovered, and provision of adequate money.

Vacation Bible School ought to be a happy, profitable experience. It means you can touch the lives of the children in your community and share with them God's love. There are no shortcuts. Success is not an accident. With determined and diligent effort your Vacation Bible School can become what God would have it be.

YOUTH WORK

The Association sponsored the annual Spring Youth Retreat May 4-5, at Caswell and three other youth meetings. Groundwork has been laid by the new Youth Director, Mr. Robert Clay Spivey for quarterly meetings this year. The dates, places, and times are already on the church calendar.

The Retreat has proven beneficial to all participants and should be continued. Five chruches sent youth and shared in a meaningful weekend.

Dan Vesta, student at Campbell College; led in worship. The joy, love, and fellowship made the work involved worthwhile.

Several churches are involved in individual youth programs. I encourage you to join with us in these youth meetings. They are scheduled far enough in advance you cannot say that you didn't know about them.

In Memoriam

"Precious in the sight of the Lord is the death of His Saints," Psalms 116:15 . As we remember and memorialize our beloved Christian dead, we know they are a "special and precious people" not only to us, but to the Lord Himself . They were people of faith to please God . They now have entered into the rewards of faith . They are jewels of God in eternity .

Jesus said, "I am the resurrection and the life: He that believeth in me, though he were dead, yet in me shall never die ." John 11:25-26 .

If we believe, we shall see the Glory of the Lord .

Calabash FBC — 1969

The first reference in associational records of potential mission work at Calabash occured in the December 1959 executive meeting. Rev. W. Amis Daniel mentioned prospective mission work in Calabash. A motion was approved to authorize the Associational Missions Committee to investigate the possibility of establishing a mission at Calabash and to formulate plans for this work.

Later in March 1960 meeting, the executive committee after discussion pro and con, instructed Mrs. Margaret McCrackan, Associational Missionary, to contact Bill Jordan who is now conducting the work at Calabash.

Mrs. McCrackan reported that Bill Jordan, due to his health, had to relinquish the work. Rev. C. O. Blanton is now leading the work and would make known a building as soon as one was available.

A very successful Vacation Bible School was reported at the 1960 annual session.

Nothing further was noted until the November 1962 executive meeting where the application for pastoral aid from the Baptist State Convention was approved.

The progress of the missions was discussed at the executive meeting held in Southport Baptist Church in 1963. Pastoral aid was again approved. The feeling that Calabash Mission ought to be sponsored by a church was first voiced at this meeting.

The cost of the present building work was $600.00. Lot aid was for the sum of $1,500 and pastoral aid for the sum of $480.00 was recorded in the February 1964 executive meeting.

At the June meeting, the Missions Committee recommended that the Calabash Mission be allowed to seek associational-wide sponsorship rather than the sole sponsorship of Beulah Baptist Church, as per request of the mission.

News that Hilton Willetts had resigned from the leadership of Calabash Mission was announced at the September meeting. This meeting noted for the first time that the mission had begun to support, with her contributions, the work of the association.

At the December 1964, executive meeting no decision was made on the offer of the Tabor City Baptist Church to take over the sponsorship of the Calabash Mission.

Later in the February 1965 meeting the motion was approved that each of our churches try to send two (2) people to help each Sunday with the work at the mission. The recommendation was made that the mission pastor make a monthly report to the Missions Committee of the progress of the work.

From the May meeting came the recommendation that the association continue the support of Calabash Mission as an associational mission. Also, that a local church be appointed to hold the membership until the mission became a church. Beulah Baptist Church was appointed to do this. A new pastor, Herbert A. Branch, was approved by the executive committee.

A plea was made, at the April 1966 meeting, for teachers and workers at the mission.

The October meeting found the same pressing need for help. However, the Calabash Mission sign was almost ready to the erected to point out to the world, one of God's shining lights, no matter how dim or bright at times its light appears.

The second quarter meeting in 1967 found the associational trustees had obtained the deed for all the mission property. There was still a need for a young peoples teacher at the mission.

It was announced at the January 1968 meeting that Herbert A. Branch had resigned as pastor. The Missions Committee with the executive committee approval had called Earl L. Caldwell as pastor.

Word later the same year told of the membership growing and souls being won to the Lord. Jennie's Branch Baptist Church is now holding the church membership.

In March 1969, the executive committee received a wonderful report from Earl L. Caldwell, the pastor, on gains in membership and giving. The new church building is fast taking form.

At this meeting the Missions Committee recommended, with the full approval of the executive committee, the following:

1. Calabash Mission be constituted a church.

2. The Associational Trustees turn over the deed for the mission property to the trustees of the new church.

3. Accept the new church under the watchcare of the association until the next annual session.

4. At this time the one (1) year watchcare period stipulated in the associational constitution would apply.

Throughout the years there have been conflicting views concerning the course of the Calabash Mission. These viewpoints all held by sincere, honest, God fearing Christian people see today on April 27, 1969 the fruits of Christian concern and prayers under the leadership of the Holy Spirit - Calabash Baptist Church.

Calabash FBC became a member of the Brunswick Baptist Association at the 1970 annual session. After the death of its pastor, Earl Lindsey Caldwell, the church was renamed Caldwell Memorial Baptist Church. Then, in 1978, the present day name. Calabash FBC, was adopted.

In 1978 the nearby old wooden church building burned, heavily damaging the new brick veneer church. The building was restored in 1979.

Jerry Don Prince completed Fruitland Institute in 1979 and is now serving as full time pastor.

Soldier Bay Baptist Church — 1886

The Baptist Church of Christ at Soldier Bay was constituted the 15th day of May, one thousand, eight hundred, and eighty-six, by Elders Nathan Miliken, Ephrain L. Swain, and James A. Mintz. Some of the charter members were as follows:

MALE	FEMALE
L. M. Todd	P. A. Smith
J. A. Smith	Elizabeth Long
J. P. Long	S. A. Todd
B. M. Simmons	M. A. Long
R. M. Long	

The organizational meeting of the church was held on May 15, 1886, in the kitchen of a little log cabin. Elder James A. Mintz was the first pastor.

Shortly after this meeting members of the church joined together and built a small one room building that measured 20 x 30 feet. The building site was donated by J. A. Smith.

It was in 1902, that the church site was relocated two miles to the Northwest, in order to be in the center of the community. Valentine Smith and W. R. Coleman each gave an half-acre as the site. The church building was a framed structure with five rooms and a seating capacity of 300, valued at $1,500.00. Improvements were made to the structure from time to time. The church was wired for electricity in August of 1937.

Plans for the present brick church building were approved in church conference on May 16, 1943, and the building was completed in late 1947. The parsonage was constructed in 1950.

Soldier Bay Baptist Church was a member of the old Brunswick Baptist Association, -1894; the Cape Fear Baptist Association, 1894-99; the Cape Fear - Columbus Baptist Association, 1899; Brunswick Baptist Association, 1899-1922; the Dock Baptist Association, 1922-52; and again the Brunswick Baptist Association, 1952- .

A list of first include: The first Vacation Bible School in the summer of 1940; the Church Bulletin on November 7, 1941; February 27, 1944, the establishment of the Church Library; the church went full time in 1948, in 1955, and again on May 7, 1972; soon after this date the Brotherhood, R. A., Acteen, G. A., Church Training, and Adult, Youth and Children's Choirs were reinstated. The Nursery was formed on February 17, 1947.

WOMEN'S MISSIONARY UNION DIRECTOR

This has been a busy but happy year in Women's Missionary Union in the Brunswick Baptist Association. We have faced many problems but these have been overcome in many instances and the joy of service has always outweighted the problems.

In looking back, we find that at the end of the last church year 31 churches reported one or more organizations with a total of 1,016 enrolled. However, we have reason to believe that these statistics are highly inaccurate. During this year which is just now coming to a close, your council has not been able to find more than 25 churches with any of the WMU organizations. It is obvious that we must work out a better system of communication if we are to be of help.

Some of the highlights of the year, possibly not covered by the other reports, were the visit of Missionary Alan Compton to the Southport Baptist Church during the Foreign Missions Week of Prayer; the snack supper which the council hosted for the Stewardship Team of our association for the celebration of the 150th anniversary of the Baptist State Convention; the study of the history of the WMU at the Town Creek Baptist Church; the Baptist Women Retreat (State) at the N. C. Baptist Assembly, Caswell, the opening of the Jennifer Brown Emergency Care Home at which your council served as hostesses; the Missions Banquet at Antioch Baptist Church; the study of the Baptist Women Manual at Southport Baptist taught by Mrs. Sallie MacCallum of the state executive board; and the state workshop for associational workers held at Ridgecrest earlier this month. Your council has had its regular quarter meetings and the director has taught several mission study books and manuals and helped one church with its Week of Prayer for Foreign Missions. More than 15 of our women joined together to sew curtains for the Staff House at the Baptist Assembly.

While our enrollment and number of organizations may be down, the coming year promises to remedy that. One of your major goals is to emphasize enlistment and enlargement. Our new Assistant Director will spearhead this.

Cooperation has been our theme for the past year. Our women and girls have responded to every call and challenge. We truly believe that the coming year will be a great one for WMU work in the Brunswick Baptist Association.

Respectfully submitted,
Mrs. Susan S. Carson, Director
Mrs. Joyce O. Bennett, Asst. Director

MISSION ACTION

We had good attendance for the class in the leadership training session. There was also good participation in the activities and discussions. We were made aware that Mission Action is ministering to the needs of those outside the church. However, we still need more active mission action projects in our churches. There are so many needs in every church community that challenge Missions for the Master, reaching out in love to those outside the church family.

Respectfully submitted,
Mrs. Mildred S. Hewett,
Mission Action Chairman

BAPTIST WOMEN

In associational Baptist Women, this has been a year of learning and study for me. This is my first experience as director and I appreciate the helpfulness and patience of all the members of the WMU Council.

During the year, a workshop was held at Supply Baptist Church and a clinic on the use of materials at Shallotte FBC. I enjoyed leading the Baptist Women sessions and trust that those in attendance learned something that was beneficial to their work during the year.

In November, the Baptist Women and Baptist Young Women came together for the World Day of Frayer. Rev. and Mrs. Bob Beaty, former missionaries to Rhodesia, led during this meeting, which was a highlight of the year.

There have been no new Baptist Women organizations started so far this year. It is my prayer that very soon every church in the association will have a Baptist Women's organization.

Respectfully submitted,
Mrs. Lorene Buchanan,
Baptist Women Director

BAPTIST YOUNG WOMEN

According to the records, it would seem that our young women are not involved in missions. Upon investigation, we find that this is not true. Only seven of our churches are recorded as having a Baptist Young Women organization. However, in many of our churches that are not enough members to have a separate organization and the Young Women are participating in the Baptist Women's organizations.

We appreciate all that is being done and would like to take this opportunity to urge each young women between the ages of 18 and 30 to become actively engaged in missions work. Truly "fields are white unto harvest" right here in our own association.

If any church is interested in organizing a BYW group, or if any of those who are organized need help in carrying our your activities, please feel free to call me or Patsy Elliott. We are "more than willing" to help you in any way that we can.

Respectfully submitted,
Mrs. Muriel Lennon,
Baptist Young Women Director

ACTEENS

Words cannot say or express the joy one can find in working with teenage girls as we labor together to show the love of God with others in Brunswick County and "to the uttermost parts of the earth". We count it a privilege to serve God in this field of service.

We have been inspired and challenged again at the state workshop this September and hope that we will be able to share a part of this with the girls and leaders of the association.

Great things will happen. God's work will be spread. People will be helped and inspired. Mission work will be carried out because of the girls

who make up the Acteens groups in our association, state and nation. Let us not leave out the dedicated leaders working with them, leaders looking into the future and seeing not an Acteen, but a WMU leader of tomorrow.

It is our desire to help Acteen work in our churches. Please call us if we can be of help to you.

Respectfully submitted,
Jackie and Cindy

GIRLS IN ACTION

The Girls In Action groups have kept us busy watching the calendar this church year.

On September 21, we began with our leadership conference at Supply Baptist Church. Six leaders attended and received a special blessing as Mrs. Carol Hardee and her group of Town Creek GA's conducted a GA meeting during our conference.

A few weeks later, on October 9th, we met with several leaders in the Probelm-Solving Clinic held at Shallotte FBC.

Then, January began with us planning to attend the first regional activity. As March 22nd came closer, we realized that our enthusiasm was shared by many. That Saturday morning found six churches from the Brunswick Baptist Association represented by GA's and leaders in Elizabethtown and 75 of us enjoyed the day. We say a special "thank you" to Mr. Dewey Sellers of Mount Pisgah Baptist Church, as he drove their new bus for us, thus enabling us to travel and to fellowship together.

Our last event was GA Day Camp on July 26, Antioch Baptist Church. We truly enjoyed the day with girls of every size, interest and energy. Mrs. Margaret McRackan, former associational missionary for this association, brought the devotion; the Puppet Ministry from Antioch emphasized the needs for Christian living. Special crafts, games, missions, drama, and music highlighted the day as we said farewell to our sixth grade girls.

We prayer that each church will see the need for GA's. Call us if we can be of service to you.

May God bless each girl, each leader, and each church as we grow in His wisdom and for His service.

Respectfully submitted,
Mrs. Emma Young
Mrs. Jessie Best
GA Co-Directors

MISSION FRIENDS

Mount Pisgah Baptist Church was host to 30 Mission Friends from five churches on Easter Monday, for our yearly egg hunt. We had songs, games, and refreshments, but the most fun was the egg hunt with prizes won for the lucky egg and for finding the most eggs.

We had a leadership conference held at Supply Baptist Church with six churches represented. New and different ideas were presented to the church leaders.

Our lives have been blessed and enriched in sharing Christ with Mission Friends. We would like to see a Mission Friends organization in every church. If we can be of help, please call us.

Respectfully submitted,
Mrs. Vernice Hughes, Director
Mrs. Johnnie Mae Hughes,
Assistant Director

ANNUITY BOARD

While serving Southern Baptist churches and agencies in 1979, the Annuity Board marked a period of "achievement, ministry and growth in practically every phase of its work," according to Dr. Darold H. Morgan, president.

Key statistical highlights in 1979 included:

1. A 13th check amounting to 10 percent of a year's benefit was mailed to most annuitants in December 1979.
2. A total of $19,131,539 in retirement benefits was paid.
3. Insurance benefits through the Annuity Board's church, agency, and seminary programs amounted to $13,067,338.
4. Total assets held in trust at the close of the year equaled $667,521,987. This figure represented a growth of $97,787,516 over 1978's total.
5. Premium income totaled $69,548,849, including contributions and relief receipts.
6. At the close of 1979, the board counted 22,879 church and agency member accounts in Plan A, 43,927 in the Fixed Fund investment plan, 4,934 in the Balanced Fund and 3,941 in the Variable Fund.

In North Carolina as of March 31, 1980, 3,046 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

In the Brunswick Baptist Association, 20 churches and 22 staff members are participating in the retirement program. Of this number, 10 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

Bryan R. Smith,
Associational Representative

AUDIT

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 20, 1980, and examined the financial records of the association and of the Jennifer Brown Emergency Care Home, for the fiscal year 1979-1980.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statements and on the Treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We are indeed appreciative and grateful for the excellent job Miss Galloway is doing.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The Baptist Children's Homes of North Carolina, Inc. is an institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

To make all services of the Baptist Children's Homes readily available, nine (9) Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services.

Necessary to the fulfillment of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement.

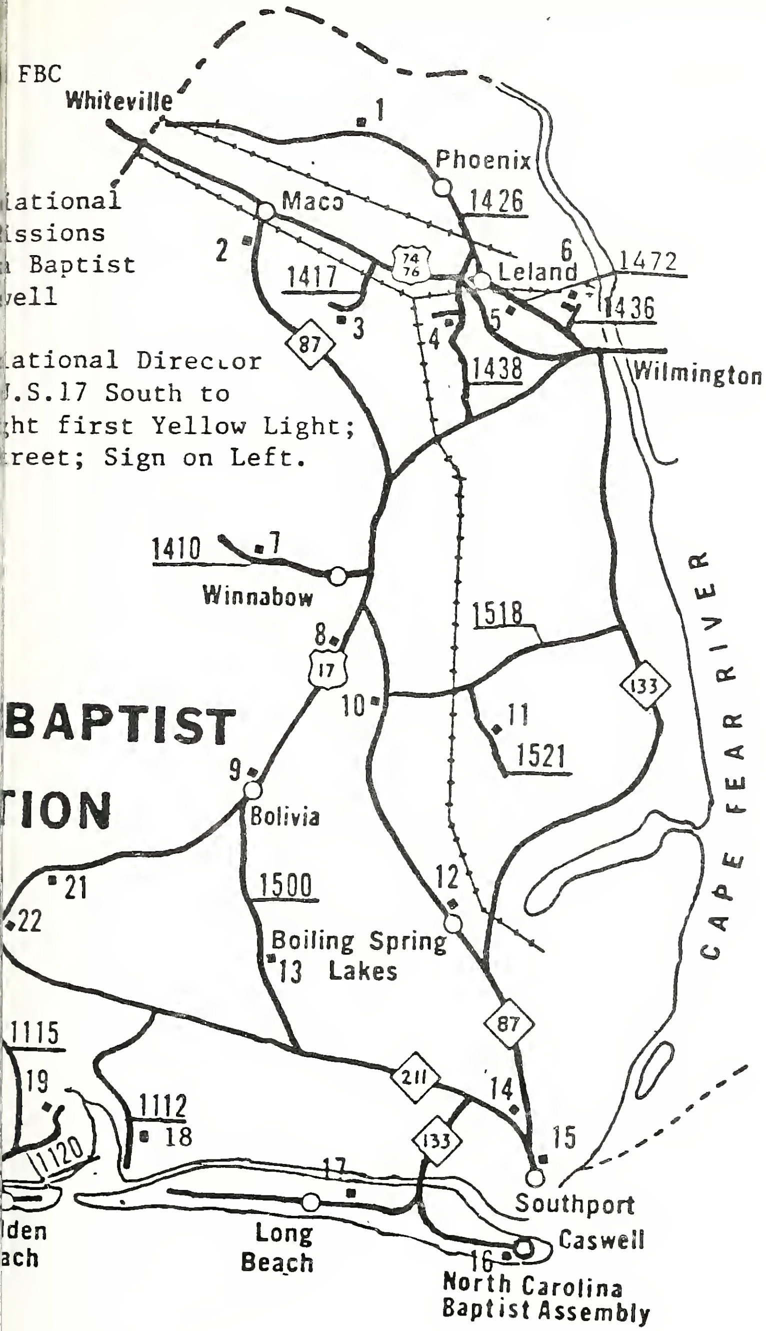
BAPTIST

TION



Highlights of the year were the dedication of the Family Resource Center and the opening of the various emergency care centers. Especially the Brunswick Baptist Association's Jennifer Brown Emergency Care Home near Supply.

God has blessed us this year. May we give a worthy State Missions Offering to Christ's name.

Respectfully submitted,
Mrs. Catherine W. Skipper,
Representative

BROTHERHOOD

The Lord has continued to bless the work of the churches through the Brotherhood program this year.

During January our R. A. Director, Graylon Jordan, had the pleasure of working with the folks at Lebanon Baptist Church in the beginning of an R. A. program. Then in March, I had the joy of working with the men at Friendship Baptist Church in the start up of a Baptist Men's program.

The men of Town Creek Baptist Church were host to the men of the Brunswick Baptist Association for our Baptist Men's World Day of Prayer Breakfast on April 19th. John W. Elder, Jr., pastor of Southport Baptist Church, brought an outstanding message on the importance of R. A. work and it's influence in his life. This was followed by many wonderful testimonies from the men. We would like to thank the men of the church for a fine meal and a wonderful period of fellowship.

Later on April 12-14, we had the joy of returning to Ridgecrest for the Key Leadership Conference. Also, on April 30-31, Graylon Jordan participated in a very informative state wide meeting of R. A. Directors held in Raleigh.

On July 14th, I met with the Regional III Brotherhood Directors and one of the state representatives in Whiteville, for the purpose of coordinating the Brotherhood work on the state wide level.

The Key Leadership Conference held at Antioch Baptist Church, on July 21, had six churches and seven men represented. The same conference held on July 28, at Mount Pisgah Baptist Church, again had six churches with eleven men and one women present.

I would like to challenge each church to join in prayer that God will inspire our men to become involved in this united effort we call Bold Missions, that every person might hear the Gospel message by 2000 A.D. This is the only hope in a world so torn apart by hate. Christ is the answer.

Respectfully submitted,

CHRISTIAN HIGHER EDUCATION

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and affections, these schools are Baptist educational missions in our state. There are 53 such schools within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

Thank you for your support of the colleges. Your earnest prayers are requested for each of them.

Respectfully submitted,
John W. Butler

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The highlight of the year was the opening of the Jennifer Brown Emergency Care Home. Because the Brunswick Baptist Association chose to step out on faith and endorse the concept of such a home last October, many of God's children went to work and now the home is a reality.

On May 12-14. 1980, your chairperson attended the third annual statewide Key Leadership Conference at Ridgecrest. I shared with you the information and inspiration received during these three days at two association Key Leadership Conference held in July.

On October 7, 1980, the Brunswick Baptist Pastors Conference and the Christian Life and Public Affairs Committee co-approved a "meet the candidate forum". The Majority of the candidates for public office either participated or sent a representative. My sincere gratitude to Mrs. Ouida H. Hewett, Mrs. Patsy Elliott, Tommy Clemmons, and Leo Cannon for their help in a very successful forum.

Will you please pray for the committee as we seek God's leadership in all our endeavors?

Respectfully submitted,
Mrs. Shirley C. Babson, Chm.

CHRISTIAN LITERATURE

Faced with the same inflationary pressures that every family has these days, the **Biblical Recorder** has managed to get through another year without an increase in subscription rates. A church can still send the **Recorder** to resident families for only 7¢ a week per family. Thus the **Recorder** is doing its best to hold the line a getting out a good paper ar reasonable cost.

At the North Carolina State Baptist Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the **Recorder** informs North Carolina Baptists on vital matters affecting them.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the **Recorder** are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the **Recorder** to every church family. See that your church makes this move in the coming year.

The **Biblical Recorder** is included in the budget of 9 churches of the Brunswick Baptist Association.

Associational Representative

CHURCH TRAINING

Associational Church Training "M" Night was held this past year on November 26, at Mill Creek Baptist Church. There was a record breaking attendance of approximately 311 persons. Everyone seemed to have a wonderful time in the Lord.

We awarded two banners at this meeting, the first banner going to Supply Baptist Church for the largest number present and the second banner going to Sabbath Home Baptist Church with the highest percent of enrollment present.

There were no requests last year for the Associational Church Training team to help in organizating new training programs in our churches.

There are 17 churches in the association reporting a Church Training program. Let me challenge each pastor and church to prayerfully consider the need in your church for Church Training.

Respectfully submitted,
Landis W. Lancaster,
Associational Director

COOPERATIVE MINISTRIES

Baptist churches and associations in two state conventions in North Carolina have been challenged to experience their biggest project in history in 1982. The Joint Committee on Evangelism is working hard to lay the groundwork for an extensive statewide evangelistic effort during the year. Churches and associations are encouraged to plan interracial activities with their counterparts. Subcommittees are at work on eight basic thrusts adopted by both conventions. The theme of the revival crusade is "Here's Hope."

SUMMER YOUTH PROGRAM - A total of 47 young people were appointed to serve in 21 locations throughout the state. They provided a variety of programs for 2,180 children and teenagers. Some new areas of work included the Berea Baptist Church, Pembroke; the Manson Rest Home, Raleigh; the Raleigh Housing Authority; and the Pilot Mountain Association, Winston-Salem.

CAMPUS MINISTRY - Some highlights of our programs with college students:

1. Sponsored 20 students to a fall BSU Convention at Ridgecrest.
2. Sponsored 5 students to the National Black Christian Leadership Conference, Atlanta, Georgia.
3. Conducted a Cultural Awareness Conference for 20 students in Raleigh.
4. Helped sponsor a black student conference at Caraway for over 200 students.
5. Sponsored 98 students to the National Baptist Student Retreat in Memphis, Tennessee.
6. Conducted a Human Awareness Conference at Pembroke State University.
7. Provided financial support for the campus ministry at North Carolina Central University, Durham.

STUDENT AID FUND - A total of $13,050 was provided for scholarshipb assistance (including $2,600 in matching funds) to 31 needy students.

VACATION BIBLE SCHOOL CLINICS - The department promoted and assisted with regional clinics again this year. In the future our efforts will focus on strengthening the annual clinics held by the General Baptist State Convention at the J. J. Johnson Baptist Assembly in Laurel Hill.

SEMINARY EXTENSION - Our second year with the rearranged Department of Seminary Extension with Shaw Divinity School resulted in 1,026 registrations for 45 classes in 16 centers. A total of 78 centers in both state conventions continues to represent the largest statewide program of its kind in the United States.

RETIREMENT PROGRAM - Eight new members were added this year bringing the total to 33.

LITERATURE - The 6th edition of the General Baptist Diary - 1980 was published as a joint venture with the General Baptist State Convention.

DIRECTOR OF MISSIONS

Only God could have given me such wonderful people to work with. This has been our most fruitful year in the history of the Brunswick Baptist Association.

Last year at our annual meeting, the Associational Missions Committee recommended that the association become self-supporting and not ask the Baptist State Convention for any financial support. The motion was voted on and passed. God has blessed our efforts with every financial need. I want to express my graditude to every congregation in the association for your support.

Brunswick County has been among the fastest growing counties in the state for the past two or three years. This places a great responsibility upon our churches in many ways. We must welcome the Christians into our fellowship and witness to the lost. Our churches have responded in a marvelous way by new building and expansion of present facilities.

Gospel Center Baptist Church occupied a beautiful new sanctuary. Sabbath Home Baptist Church renovated their sanctuary and added a vestibule and two class rooms. Shallotte FBC completed their new Educational Building. Mount Pisgah Baptist Church built a nice youth recreation area with shelter, stoves, grills, hot and cold water and a basket ball court. Temple Baptist Church added a new steeple to their sanctuary and new side walks to the parking area. Bolivia Baptist Church paved their parking lot. Boiling Spring Lakes FBC occupied their new Educational Building. Community Chapel Baptist Church added carpet and new pews to their sanctuary and Faith Baptist Church called their pastor full-time. May God bless your every effort.

New pastors coming to us this year are: Roy D. Cable, Antioch Baptist Church; Floyd E. Wescott, Gospel Center Baptist Church, also, was ordained; Samuel D. Smith, ordained and called to Boone's Neck Baptist Church; R. Sam Jones, Supply Baptist Church; Charlie Smith, Beulah Baptist Church; Billy Smith to Mill Creek Baptist Church; and Ivren B. Hughes, Sunset Harbor FBC. Welcome to the Brunswick Baptist Association.

Churches without pastors are: Soldier Bay, Friendship, Ocean View, Old Shallotte, Town Creek, Farmer's Chapel, and Elah Baptist Churches.

One of the highlights of the year was the purchase of a home and the establishment of our Jennifer Brown Emergency Care Home. We feel that God has directed each step of the way. Thank you for permitting God to use each of you to reach out with love and compassion to precious children in need.

I am sure that God has smiled upon the accomplishments of the Brunswick Baptist Association during the past year, however, the past will not suffice for the future. The Apostle Paul said in Phil. 3:13-14, "But this one thing I do, forgetting those things which are behind, and reaching unto those which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

This has been the busiest of the twelve years that I have served as your Director of Missions, and I must say the most rewarding one. It is my belief that God has begun a good work in us and will perform it until the day of Jesus Christ - Phil. 1:6.

As we enter this the Eighty-Third year of the Brunswick Baptist Association, let us give of ourselves unreservedly to the task of witnessing and sharing God's love with the multitudes who are lost.

Respectfully submitted,
Arthur R. Waisner,
Director of Missions

EVANGELISM

All Baptists are urged to participate in the Joint Statewide Evangelistic Crusade in 1982. The theme will be "Here's Hope." Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of Noth Carolina and the General Baptist State Convention. The Simultaneous Revival dates for the three areas of our state are: Coastal - March 14-28; Piedmont - April 4-18; and Mountain - April 25 - May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

"Bold Witnessing Churches" was the theme of the 34th Statewide Evangelism Conference, February 4-5, 1980, at First Baptist Church and War Memorial Auditorium, Greensboro, Eight practical Evangelism Conferences, related to helps for growing churches and discipling members, were held during the first afternoon session at the First Baptist Church, Grensboro. About 2,400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium.

New materials on Lay Evangelism Schools prepared by the Evangelism Section of the Home Mission Board, are now available for use by our churches. The Lay Evangelism School is a one-week effort to train youth and adults to become more effective witnesses for Christ to the lost.

Thousands of youth were involved in the 10th Statewide Youth Evangelism Conference at Greensboro Coliseum on Friday, August 15, 1980. A Discipleship Seminar was held during the afternoon session at Immanuel Church. We thank God for the hundreds of youth who have made various decisions for Christ during this ten year period.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2-3, 1981.

"The Power of Evangelism" was the theme of the Brunswick Baptist Associational Evangelism Conference August 29, 1980 at Sabbath Home Baptist Church.

Leo Cannon, Chairman

HISTORIAN

History is being made every day. History is defined in the dictionary as "... a narrative of events, especially a systematic account of events ..." The history of our churches is made up of the record of the day by day events in those churches. This history should be kept for those who are yet to come after us.

What we know today about our Baptist past has come down to us because church records were written and preserved. We need to continue this tradition. All the records in our churches should be carefully recorded and safely preserved.

Particular attention should be given by Church Clerks, Pastors and others to accurately and plainly recording the business meetings of the churches and entries should be made of special happenings. Other records that should be carefully and safely preserved are budgets, bulletins, committee records, deacons meetings, constitutions and by-laws, correspondence, covenants, membership rolls (showing dates of membership and how terminated), newsletters, deeds, cemetery records, treasurer's records, VBS records and records of all the organizations.

A safe storage place should be found for all these records and all of them should be kept together. In the past many, many vital records have been lost because they were supposed to be passed on from church clerk to church clerk, but often were not. Some were left stores in boxes, drawers or attics to gather dust and deteriorate with age. Others were destroyed by fire or taken by a pastor as he went on to another pastorate.

The best way to preserve the record of our past is by the process of microfilm. The Baptist Historical Collection Director at Wake Forest University is anxious and willing to help us in this. This is a free service; the only cost is the effort of gathering up the records and taking them to the University and picking them up after they have been microfilmed. Extremely good care is taken of the records entrusted to them because the Director and those who work with him know and appreciate their value. If several of our churches would agree to allow their records to be microfilmed, I am sure that our Director of Missions or our Associational Clerk would arrange to take the records to Winson-Salem and later get them back to the local churches.

Only these five churches in our Association have availed themselves of this service so far:

Bethel (1840-1919; 1943-54, 1959-72); Goshen (1840-1974); Mill Creek (1818-1848; 1879; 1881; 1848-1952); Old Shallotte (1830-1874; 1898-1930) and Southport (1871-1960 - with the years 1915-1932 mission). These churches should have their microfilming updated and try to find the mission records. The other 34 churches should arrange to have their records preserved in this easy, safe and practical manner.

Many of our churches have never had a written narrative done of their history. If there is no one in your church who is willing to undertake such a project, contact a member of this committee and arrangements can be made to have someone do this for you. We will also help you to arrange to have your records microfilmed.

We feel it is vitally imiportant to know our past in order to properly chart our future.

Respectfully submitted,
Historical Committee -

MEDIA CENTER

The Brunswick Baptist Association Media Center. (BAMCO). has had another busy year. At the quarterly meetings, we are studying Plan I of the Church Media Center Development, "How to Administer and Promote a Church Media Center." This study will be credited toward the Media diploma.

We have had two churches to organize new Media Centers and for other churches to show an interest in the work.

I wish to express my thanks to Donna Link, Virginia Walton and others of the staff that have worked so hard to establish the Media Center at Mount Olive Baptist Church.

We are anxious that all of our churches either update their Media Center or to began a center as soon as possible.

If I may be of assistance within your church, please let me know.

Mrs. Margaret Clemmons,
Association President

MISSIONS

The Associational Missions Committee being aware that the statement, "The Christian touch is love", had set out in this past associational year to express this love through carrying out the Great Commission of our Lord. Possible areas for an outreach ministry have been under investigation and advisement. It appears to the mission committee that the most promising ministry can be realized in the Sunset Beach area. This now is under further study.

Another project the missions committee became involved in at the request of the Associational Executive Committee was the possible establishment of an Emergency Child Care Home in this area. The missions committee meeting at a number of times, after much prayer and with the help and cooperation of Mr. Larry Sawyer, representative from the North Carolina Baptist Children's Homes, was ready to present its report to the association.

This was done at a called meeting on April 14, 1980, at Mount Pisgah Baptist Church. Along with other key leaders of the association and the Brunswick County Task Force, the missions committee presented a motion that the association embark on this needed ministry. The motion received a second and was adopted by the association. A second motion was made to purchase the Generette Brown home located near Mount Pisgah Baptist Church and to be used as an emergency child care home. This motion was carried. A third motion was then made naming the home, "The Jennifer Brown Emergency Child Care Home". This motion was quickly adopted.

After a recommendation by the missions committee, the executive committee assigned to the Committee on Committees, the responsibility of the nomination of a number of committees needed to launch the child care program.

The missions committee has remained cooperative and supportive in the evident fulfillment of this wonderful Christian ministry.

The committee also encourages all the churches of the association to become involved in the support, financially and otherwise, of the emergency child care home's ministry.

"To God be the glory!"

MUSIC

This year our associational musical thrust has had to move in a new direction. We have tried several methods in order to increase interest in our choir, and we believe that we are on the verge of building an acceptable program.

We have enlisted several "key" people to act as "zone" directors. This idea was spawned and implemented at our "Key" Leadership Conference at Ridgecrest. It is hoped that together with these directors, we shall be able to revitalize our effort and move out boldly for Christ through Music.

Associational Director

NORTH CAROLINA BAPTIST FOUNDATION, INC.

Sixty years ago the North Carolina Baptist Foundation was chartered out of a need to provide a channel for gifts and bequests which would be held in trust. This enabled Baptist people to have a continuing part in the support of every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist colleges, Children's Homes, Homes for the Aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, and the Cooperative Program. The Foundation receives no money for its own use - it only serves as trustee for all these Baptist causes.

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is testamentary gift. This is simply a transfer of assets through a will. During the past year, the Foundation Staff has attemped through Pastors' Conferences, senior citizens groups, Baptist

Women and Baptist Men groups and through personal conferences with individuals, to enable the people to extend their stewardship beyond life through the use of a will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through will, through purchase of gift annuities and through establishment of annuity trusts.

The Foundation has received memorial gits to deceased loved ones. A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches, and foreign missions have been received. One annuity trust was established with the income, after the death of the annuitants, to be used by the Foreign Mission Board in its effort to assist in the fight against world hunger.

During the past year, through the many ways it is able to accept gifts, new trusts have been established with combined assets of $650,000. Additions to existing trusts, providing for scholarships, missions offerings, memorials and many other causes, were more than $370,000. The audit of Foundation records for the year ending December 31, 1979, revealed total increase of assets for the year was $1,018,681.00 with total assets of the Foundation being $5,115,000.

In the coming year, the Foundation will continue to emphasize stewardship and committment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation Staff, its three consultants, board members and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

NORTH CAROLINA BAPTIST HOMES, INC.

The ministry to older persons through our Baptist Homes is the youngest of all our social ministries. We have just completed our 29th year of ministry. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry - Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, and Homes in Albemarle, Hamilton, Yanceyville, and Asheville! A dream was fulfilled when we moved into the new Western Carolina Baptist Home in Asheville in March (1979).

Gifts from our Baptist churches, through encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes - through the Cooperative Program, and through the new North Carolina Missions Offering.

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment Complex, when nursing care is needed for them.

Each of our residents would have me to thank you as North Carolina Baptist for all that you are, and for all that you do for them.

Respectfully submitted,
J. D. Hewett
Associational Representative

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two-year accreditation.

Our hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial couseling section is now better prepared to assist those who need its services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and posible group arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

J. Bryan Dosher,
Associational Representative

Your committee met with three candidates for the ministry this past year and we are happy to report that all three candidates were recommended to their respective churches for ordination.

We as a committee feel humbly honored to be placed in this strategic position. We request your constant prayers that we may approach our task with an eye single to his will, not ours. May God be pleased to continue his leadership and his blessings upon us.

SEMINARY EXTENSION

People who work with Seminary Extension believe that learning is something which should take place throughout life. Seminary Extension is a movement born out of an expressed need within Southern Baptist life for ministry training opportunities beyond the college or seminary campus. Its goal is to bring continuing theological education within reach of ministers and lay church leaders, regardless of age, geographical location, or level of formal education background.

More than 10,000 persons currently are enrolled on one or more courses. Seminary Extension students are in all fifty states and a number of foreign countries. Eighty percent of these attend classes in one of the approximately 400 Seminary Extension centers.

North Carolina Baptist help to underwrite the cost of study with Seminary Extension through the Cooperative Program budget. During the past year, 78 Seminary Extension centers have been active throughout North Carolina. These include 16 centers among General Baptists established in connection with Shaw Divinity School in Raleigh.

This was the first complete year that the Brunswick Baptist Association has been a sponsor of Seminary Extension and the response has been very good. At the time of the writing of this report, we have a class in session with 25 students and another course to start next week. Also, seven courses are already scheduled for this new associational year and there will probably be other courses that are not presently on the agenda.

Respectfully submitted,
Billy L. Buchanan,
Associational Director

SENIOR ADULTS

Four churches of the Association have appointed or elected their Senior citizen Co-ordinators. These are engaged in activities at their churches.

We had a Senior Citizen conference and workshop with Ted Williams, N.C. State Department of Aging being special guest. Also a rally was held for the Senior Citizen's at Shallotte First Baptist Church.

A group of 18 persons went on a bus tour to Nashville, Tenn. in September. Three persons also went to Washington. More tours are being planned for Senior Citizens during the coming year. Shallotte First Baptist Senior Citizens are engaged in Basket Weaving classes. They have donated a quilt to the Jennifer Brown Emergency Care Home. Mrs. Gertrude Loughlin, oldest active member at Southport Baptist gave a beautiful crow stitch picture to the home. Southport Baptist Senior Citizens, under the auspices of Mrs. Gertrude Blake, are doing many great things in the community.

This year has been wonderful. The fellowship with Senior citizens is great. The Senior Citizen site at Shallotte, Leland and Southport offer hot meals and fellowship. We have many attending these almost 5 days a week.

We need all 39 churches to participate in the Senior Citizen program. Please call 754-4623 after 6:00 p.m. and I'll be glad to help you and your church.

Respectfully submitted,
Mrs. Ouida H. Hewett,
Senior Adult Coordinator

STEWARDSHIP

Today there are two things that I wish to mention. The first is to commend you for your giving. This is perhaps the best year of the Brunswick Baptist Association in regards to finances. It's also a year when we opted to venture out into a new ministry - The Jennifer Brown Emergency Care Home.

The second thing I will mention is a challenge for greater mission support and church growth. Often we find it easier to give money than to give ourselves, our time and our talents. Stewardship involves all of the above and if each on an individual basis becomes the best steward he can of what God has entrusted to him of possession, time, and abilities, church growth as well as greater mission support will become a reality. Church growth is important not for the sake of numbers but for the sake of the unsaved who need our Saviour as theirs. Greater mission support is needed not because God needs it, but because it represents our obedience and faith.

During the past year, the churches have given $26,901 for Associational Missions. From January 1st, through September 30, 1980, Cooperative Program giving amounts to $39,806 and designated gifts totaled $25,047.

Respectfully submitted,
Ira L. Chadwick, Stewardship Chm.

SUNDAY SCHOOL

This year the Brunswick Baptist Association sent several of the Associational Sunday School leaders to Ridgecrest for the Key Leadership Conference. Your Sunday School Director was one of these that had such an opportunity.

Upon returning, I led in two Associational Sunday School Key Leadership Conferences. We had only a few churches represented. However, the quality of these meetings was great. The groups went away glad to have been there.

We now have a team of associational workers, able and willing to assist you in your Sunday School work. This team is referred to as the "ASSIST" Team. Assist is an acronym for Associational Sunday School Improvement Support Team. This team is made up of the following associational Sunday School Workers: Directors, Assistant Directors, Adult Director, Youth Director, Children Director, Pre-School Director, and Cradle Roll Director. We are "Preparing" to be "Prepared".

We are available for clinics, workshops, consultation, or any other area that you may need us. This is a joint project between us and God, to "Reach" and "Teach."

Lets "Reach" and "Teach" Jesus Christ to this county the coming year.

Respectfully submitted,
Hilton Willetts,
Associational Director

VACATION BIBLE SCHOOL

During 1980, the following results were reported: 1,623 students were enrolled in Vacation Bible School, of these 92 were adults in eight schools, 23 professions of faith were reported, one Mission Bible School was held, the daily average attendance was 1,339 for all schools and a total of $1,252.00 was given to the Cooperative Program.

At the time this is being prepared, only 22 of our 39 churches have returned reports. Undoubtedly, this would have made a great difference in the report.

It is essential that you began preparation soon for the school in your church next year. Elect the V.B.S. Director when other church leaders are elected. Plan for V.B.S. in your church budget. Order sample literature kits early. Promote the idea of attending Associational V.B.S. Clinics.

The time you give to Vacation Bible School could well be the most important period in your church next year. Strive to attain the best school possible that the lives of boys and girls; men and women, may be touched with the love of Christ.

The 1980 Associational Vacation Bible School Team was composed of:

Yvonne Bevill
Deedy Robinson
Pat Raines
Larry Waisner
Mary Walls
Lindsay F. Miller
Bobbie Hughes
Arthur R. Waisner

I pay tribute to this very special group.

Avery Lumsden,
Associational Vacation Bible
School Director

In Memoriam

Another year has passed since we stood in quiet reverence to honor those who during that time went to be with their Lord. Of our numbers, 51 have departed for that better home to be forever present with Him and with His Saints of all Ages. From the human point of view, death is seen as pain, suffering, sorrow, separation and loneliness. This is not so with God. He does not confine his view to the incident which we call death, but rather, He looks beyond and sees what death affords his children. The Scripture says, "Precious in the sight of the Lord is the death of His Saints." - Psalm 116:15. This is because death brings: Rest from life's toils - Rev. 14:13; Eternal gain - 2 Tim. 4:7,8; and Perfect uninterrupted eternal fellowship - 1 Thess. 4:13-18.

JENNIFER BROWN EMERGENCY CARE HOME PURPOSE and ESTABLISHED GUIDELINES
September 1980

PURPOSE: The Jennifer Brown Emergency Care Home (hereafter called the Brown Home) is set up to offer temporary shelter group care on an emergency basis to children and youth, ages 3-18, who are experiencing family crisis. The maximum length of stay is 90 days. The home has a maximum capacity of five (5) children who will be admitted withot regard to race, nationality, or religion.

ADMINISTRATION: The Brunswick Baptist Association is responsible for the physical structure, furnishings, and upkeep of the house. The program of the Brown Home is operated by the Baptist Children's Homes of North Carolina, Inc., and as such is under the jurisdiction of the Board of Trustees, elected by the North Carolina Baptist State Convention. The program operation of the home is primarily the responsibility of the Resident Houseparents/Director who is supervised by the Pembroke Area Family Service Director of the Baptist Children's Homes of North Carolina, Inc., The home is licensed annually by the North Carolina State Division of Social Services.

STAFF: The Resident Director and spouse will serve as houseparents. Also, there will be a relief houseparents or parent who will be on duty twenty-four (24) hours each week, in addition to vacation periods. A social worker will be on call at all times.

AREA SERVED: Because the Jennifer Brown Emergency Care Home is a unit of the Baptist Children's Homes of North Carolina, Inc., it is available to residents throughout the state. In order to assure continued planning for each child in care, however, it is recommended that referrals come from within a fifty (50) mile radius of the home. Runways from other states who would come under the local county's jurisdiction would be appropriate referrals.

ADMISSIONS AND REFERRALS: Intake and admissions will be the responsibility of the Director , and/or Social Worker, or a designated staff worker should the Director be on leave from the home.

The Brown Home will not assume legal custody for any youth. Anyone with knowledge of a family's need, such as a church pastor, social worker, teacher, or counselor, may refer a youth to the Brown Home. Signed consent for placement authority, whether that authority is the parent, a custodial agency, or another individual holding legal custody of the child.

EXCEPTIONS: A youth may admit himself and stay in the home not more than 24 hours on a weekday or 72 hours on a weekend, after which time the legal custodian must become involved in the placement or the youth must leave the home. When a youth admits himself, a call must be placed to the county sheriff or city police to notify them of his whereabouts.

The home's program and policies will be discussed with each youth and his custodian when he comes to the home. No youth will be admitted who does not clearly understand and make some committment to the terms of his placement and the expectations that will be made of him in the home.

The Jennifer Brown Emergency Care Home cannot accept any youth who is physically, mentally, or emotionally handicapped that he cannot function adequately in an openly structured group environment and attend public school. In addition, no child that needs involuntary detention can be admitted

PROGRAM: The program at the Brown Home is designed to encourage youth to display appropriate behavior. The staff is involved not only with the physical care of each child; they also advise, counsel, and guide the youth, acting as model teaching parents in order to meet each child's needs appropriately and consistently. Positive reinforcements for appropriate behavior will be used as much as possible in order to help the youth acquire a better self image. When punishment is necessary it will be appropriate to the behavior, such as time out period, withdrawal of a privilege, work task, etc. No one particular system or approach will be used, but rather a combination of such techniques as are found in reality therapy, behavior modification, and parent effectiveness training, for examples.

In addition to direct involvement with the youth, the Brown Home staff will work with social workers, pastors, counselors, schools, etc., in providing feedback necessary in planning for each child's placement once he leaves the home.

BEHAVIOR PROBLEMS: Should a youth in the home exhibit behavior problems so severe that the well-being of other children in the home, or the over-all discipline and order of the home is seriously threatened, the legal custodian will remove the child from the Brown Home on request of the Resident Director.

SCHOOL: A youth will not be enrolled in school if it is anticipated that his stay at the home will not be less than ten (10) school days. A child staying at the Brown Home for more than ten (10) school days will be enrolled in the school in the district where the home is located. If the legal custodian wished the child to attend a school other than one in the home's district, it will be the custodian's responsibility to provide transporation for the child to and from that school.

FAMILY CONTACTS: It is hoped that whenever possible a youth residing in the Brown Home will be returned to live with his natural parents. For this reason, planned visits between a child and his family are supported and encouraged. The place and frequency of the visits will be planned with the placement person on an individual basis. Plans for visits must be finalized with the Director or Resident Parents 24 hours in advance of each visit in order to ensure their effectiveness. Spontaneous visits and phone calls by a family will be discouraged.

PLANNING SERVICES: Whenever a custodian agency has the authority to place a child in the Brown Home, that agency is responsible for continuing social services to the youth and to his family. The agency will recognize that the maximum length of stay for any child at the Brown Home is 90 days and will use the child's term of residency in the home as a planning period to ensure that a satisfactory long-term plan of care will be ready for the child upon his discharge from the home. The Brown Home will not be used as a dumping facility, but will be most effective when viewed as a planning placement. To this end, the agency social worker who is involved with the placement of a child at the Brown Home will be expected to maintain regular contacts with the child and to hold planning conferences with the Social Worker and Director once every two (2) weeks concerning goals for the child's long-term care.

A parent or other legally responsible for a child's placement in the Brown Home assumes the responsibility for planning for the child's long-term care after his discharge from the Brown Home. In addition to holding planning conferences with the Director and/or Social Worker once every two (2) weeks, the custodian will seek whatever services are needed to help resolve the family crisis which necessitated the child's admission to the Brown Home, to the end that the youth may return to his own home to live. Such services may be available through the Department of Social Services, Family Counseling, Mental Health, local church pastors, or private counselors for examples.

RETURNEES: It is the desire of the Brown Home not to admit a youth into the home for a second time, as this defeats the purpose of emergency temporary care and its use as a planning placement.

JOINT MINISTRY OF THE BRUNSWICK BAPTIST ASSOCIATION & BAPTIST CHILDREN'S HOMES OF N.C. INC.

OCTOBER 23, 1980

I want to spend my time praising god for the miracles of this project! In twelve hurried months a vision has become a ministry. The results of this year provides living testimony to the bold statement that we "CAN DO ALL THINGS THROUGH CHRIST WHICH STRENGHTENTH US."

THE NEED:

According to the Department of Social Sevices report for July, 1979-June, 1980, 78 families in Brunswick County were found to be involved in substantiated cases of child abuse and/or neglect. These 78 families consisted of 161 children. The Wilmington Morning Star reported this summer that Brunswick County led the area in incest cases on a per captia ratio. On the beaches, in the communities, and even in the rural areas, our children and youth are being subjected to horrendous "family" conditions. We do not need statistics to prove this point. Most all of our churches are involved in their own communities with attempts to minister to these hurting young people.

The County Commissioners appointed a Task Force on Youth Needs to investigate problems relating to youth in Brunswick County and initiate plans to alleviate some of the causes and results of these problems. This Task Force made the initial contact to the Baptist Children's Homes last fall and asked representatives to come and discuss a possible joint effort in the area of an Emergency Care Home. The results of the meeting were discouraging with many barriers encountered. The need was demonstrated, but a working relationship between the Children's Homes and the County Government seemed less than ideal.

OUR RESPONSE:

October 26, 1979, the Brunswick Baptist Association passed a resolution in support of an Emergency Youth Care Center to be located in Brunswick County.

January 7, 1980, the Brunswick Baptist Association instructed its Mission Committee to investigate the feasibility of our association establishing an Emergency Care Home in co-operation with the Baptist Children's Homes as has already been done in other parts of North Carolina.

April 14, 1980, special called meeting of the Associational Executive Committee at Mount Pisgah Baptist Church to discuss details of establishing an Emergency Care Home. We voted to purchase the former residence of Mr. Genrette Brown, name the Home in memory of his daughter, Jennifer, and enter into a contractual agreement with the North Carolina Baptist Children's Homes.

August 27, 1980, association-wide prayer service and open house at the partially furnished Emergency Care Home. Over 200 people from across the County gathered at the Home for the service and a prayer of Commitment. Representatives from the Baptist Children's Homes were Larry Sawyer and Melvin Brown.

FINANCES:

The initial costs for setting up housekeeping at the Jennifer Brown Emergency Care Home are naturally going to be higher than annual upkeep and operations. The Brunswick Baptist Association has committed itself to purchasing, furnishing, and keeping up the facility. In the intial fund-raising effort for the Home, the breakdown was this:

Principal owed on property	$37,000
First six months interest	3,000
Renovation on the House	2,000
Furnishings for the House	8,000
TOTAL GOAL	$50,000

As the specific needs for the furnishings and repairs were known around the county, individuals, groups, and businessses began donating items and labor in lieu of cash. These in-kind gifts have lowered the cost of furnishings and renovations to a total of less than $2,000.

The present amount of the Special Offering by the 39 churches in our association totals close to $18,000. A check for $12,000 has been authorized as payment to the principal and the balance in savings will more than pay the interest due in November. What all of this means is that if we only has $25,000, we could open completely debt free. As you can see, we have come a long way in a very short time. Praise the Lord!

Thus far, the discussion of finances has centered upon purchase and opening the Home. You may be wondering, but what about the ongoing budget of the Home?

From the first, we have been very clear in stating that only money from the Baptist Churches and individuals within these churches would be used for the purchase of the facility. The deed is made out to the Trustees of the Brunswick Baptist Association. If at any time in the future, the association would move or terminate this ministry, the lot and house would continue to be the property of the association to utilize in any manner we would decide upon.

Since this ministry will serve all parts of the area irregardless to race, religion, or any other criteria except need and bed available, non-Baptist groups or individuals may wish to contribute to the operational budget of the Home. All monies received in this fashion will be spent for services rendered by the Home to the community.

It has been estimated that to operate the Emergency Home for twelve months at full capacity, an annual budget of $40,000 is necessary. If we are really serious about being involved in Emergency Care Work on Brunswick County, we must be willing to set up ways to insure continued participation beyond the minimum required. What I am saying is this, if this is to be a priority ministry of our association, our member churches need to establish the Home as a line item in their Church Budget. The total through this regular channel of giving needs to be, in my opinion, ½ of the total budget -or $20,000 as a starting base. The Children's Homes will cooperate, I am assured, in finding means from other sources to fill out the operating budget.

I mentioned the Task Force on Youth Needs as being involved in the initial stages of planning. Their assistance has been very tangible and supportive. Through their recommendation, the County Commissioners approved a state grant of Community Based Alternative (CBA) money of $20,357 for this fiscal year. The financial report for the Home lists the first quarter's payment as being received and deposited. This grant is available for renewel on an annual basis. The money is allocated to projects who specifically deal with youthful offenders and their problems. In Brunswick County, the Emergency Home and School Suspension are recipients of these funds. It is not my wish to apply or to receive any outside money of this kind beyond the first year. I have made it clear to the Task Force that as the houseparents came on the scene, and during the first months of operation, we would utilize the CBA money for food, utilities, salaries, etc., by forwarding the Grant money to the Children's Homes earmarked for the operational budget of the Jennifer Brown Emergency Care Home. I have encountered no strings attached to the funds except filing of quarterly reports. These forms have been approved by the Children's Homes as not violating any confidential policies and will be completed by the Houseparents this first year only.

In other words, God has provided the first year's half of the budget through CBA funding. Beyond this, we are on our own.

HOUSEPARENTS:

On October 15, 1980, John and Mary Small officially moved into the Jennifer Brown Emergency Care Home to assume leadership as Houseparents. Praise God, the wait if over!

John Small has served since 1977 as pastor of McDuffie Memorial Baptist Church in Chapel Hill. Mrs. Small has been employed as a nurse at Duke University Medical Center. A native of Maitland, Fla., John earned a degree from N. C. Wesleyan College in 1971 and graduated from Southeastern Baptist Theological Seminary in 1974. Prior to that, he was a salesman for Nabisco in Florida for 14 years.

He entered the ministry in 1974 as pastor of Ebenezer and Mount Horeb Baptist Churches near Chase City, Va., before moving to Chapel Hill.

Mrs. Small received her R.M. training in Parkview Hospital in Rocky Mount and has been a nurse in Florida and Virginia as well as Duke Hospital.

The Smalls have three children: James 27 - living in Winnabow, Richard 24 - living in Carrboro, and Mary Elizabeth 20 - living in Plymouth, N.C.

OUR FUTURE:

The number one priority is to become licensed and begin the ministry. The paper work is being processed now and inspections are being scheduled in order to open by the first of November.

All the 39 churches of our association MUST become informed and involved in the ongoing ministry of the Home. So far, 25 of our churches have contributed toward the special offering which will be used to pay off the principal on the facility.

Each church needs to prayerfully consider including the Home in their annual budget as a separate missions item. It is not in the best interest of the Home nor the association to attempt to establish another annual SPECIAL OFFERING. I have a specific suggestion at this point. If each church would set as a minimum budget amount a figure equal to their Sunday School Average Attendance last year, we would be able to pay off the mortage in good style and be set up to take up the slack in the ongoing budget when the CBA funds run out next July.

I have used that formula at Southport Baptist Church and received a favorable response from the Finance Committee. Our proposed budget will be presented to the church this Sunday. Our average Sunday School attendance for last year was 170. The amount proposed for the Home this next year is $200 each month or a little more than my suggested figure. I challenge each church in our association to follow our lead in this matter and do the same. If your church budget has already been approved, I urge you to prayerfully consider increasing it in this manner so the ministry of the Home will not go lacking for funds.

I have been overwhelmed at the responses from people all across Brunswick County when informed of this ministry. Obviously God knew what He had in store for us when He led us into this ministry. Won't you carry a renewed Vision and Interest in the Jennifer Brown Emergency Care Home back into your church and community? I believe this to the most exciting project our association has ever assumed.

I thank you for the opportunity you have given me to share this exciting story with you today.
